3  
4 MICHAEL MARRACCINI

5 sworn as a witness

6 testified as follows:  
7

8 MS. JUSSEN-COOKE: Present in the room we have  
9 the deponent and respondent, Michael Marraccini; counsel  
10 for respondent, Randy Sue Pollock; my co-counsel, Audrey  
11 T. Courson; Laura Owens, petitioner, who is listening and  
12 participating via conference line; myself, Elisha  
13 Jussen-Cooke, attorney for Ms. Owens. And that is the  
14 totality of who is present.

15 We are the attorneys for Laura, and to begin I'd  
16 like to summarize the notice that gave rise to this  
17 deposition which has been marked as Exhibit 1. Mr.  
18 Marraccini was served with a notice of taking deposition  
19 and for production of documents on May 21, 2018. Per  
20 agreement by Ms. Pollock to accept electronic services,  
21 this was served via e-mail. This notice of taking  
22 deposition of Michael Marraccini on oral examination and  
23 for the production of documents will be attached to the  
24 deposition transcript as Exhibit 1.

25 Before I begin, we may -- I'd like to request

1 some stipulations given the timeframe we're working with.

2 MS. POLLOCK: Yeah. Just last minute...

3 MS. JUSSEN-COOKE: Yeah. So in terms of the  
4 time for reviewing. Once this is over, you'll be  
5 provided with a copy of the -- or you'll have the  
6 opportunity to obtain a copy of the deposition transcript  
7 and to review that and to make corrections under oath.  
8 Because we are on a shortened time scale, I'm hoping that  
9 you'll stipulate to have that done.

10 Actually, the court reporter, hopefully, will  
11 send you an e-mail by Wednesday June 28th without  
12 expediting it. And we ask that you read and review the  
13 transcript and make any changes within five days. So if  
14 it's received by the 28th, we would ask that any changes  
15 be made by July -- the end of the day on July 3rd, and we  
16 also ask that any changes -- you advise me of any changes  
17 via e-mail.

18 MS. POLLOCK: That's fine.

19 MS. JUSSEN-COOKE: Great. And so the 3rd is  
20 agreeable?

21 MS. POLLOCK: Yes.

22 MS. JUSSEN-COOKE: Do you stipulate that if Mr.  
23 Marraccini does not sign the transcript within that  
24 timeframe and does not provide notice of any changes to  
25 the answers within that timeframe or if the original

1 executed transcript becomes lost or otherwise  
2 unavailable, that the certified copy of the transcript  
3 may be used for all purposes?

4 MS. POLLOCK: That's fine.

5 EXAMINATION BY MS. JUSSEN-COOKE:

6 Q. Okay. So just to go over some basic  
7 instructions and rules. The court reporter is taking  
8 down everything that's being said today. So right now  
9 you're nodding and that's an easy way to communicate, but  
10 unfortunately it doesn't go on the record.

11 A. Got you. Yeah.

12 Q. So if you can make sure that you give audible  
13 answers to everything moving forward, that would help the  
14 court reporter and make sure she's got it all down.

15 A. Sounds good.

16 Q. Have you ever had your deposition taken before?

17 A. Like ten years ago. Maybe more, 15.

18 Q. And what was that for?

19 A. Car accident.

20 Q. And what was your role in that case?

21 A. I got hit by a car.

22 Q. So did you file a lawsuit?

23 A. Yes. Yes, I did. I was like 15 years old, so  
24 yeah, it was 15 years ago. Somewhere around then.

25 MS. POLLOCK: Did you file it or your parents?

1 THE WITNESS: My parents.

2 BY MS. JUSSEN-COOKE:

3 Q. And what was the outcome of that?

4 A. I received like \$3,000 in settlements.

5 Q. Okay. Any other times that you've had your  
6 deposition taken?

7 A. No.

8 Q. Okay. I'd like to just go over some of the  
9 guidelines in order for things to go as smoothly as  
10 possible. You are under oath which means that you're  
11 swearing to tell the truth and treat this like it's a  
12 courtroom. I know it's a more informal setting --

13 A. Yeah.

14 Q. -- but the oath carries the same effect as if  
15 you were in a courtroom. So here's how it works. I'll  
16 ask you questions, and you will answer them. Your  
17 attorney may object to some of the questions, but these  
18 objections are for the judge to consider at a later time.  
19 Unless she specifically instructs you not to answer, you  
20 must answer the questions even if she objects.

21 A. What if, like, timeline is something that I  
22 don't know?

23 Q. And so that's fine. If there are things you are  
24 -- if you don't understand questions that I've asked,  
25 tell me you don't understand, and we'll rephrase them.

1 If you are unsure of something, say so.

2 A. Yeah.

3 Q. Don't guess at an answer, but estimating is  
4 okay. Do you understand the difference between a guess  
5 and an estimate?

6 A. Yeah. So what I just did with the previous  
7 settlement that we were just talking about, is that okay  
8 to say, like, 10 to 15 years? Or do you want me to say,  
9 like, I'm guessing it was 10 to 15 years ago?

10 MS. POLLOCK: You can approximate. So if -- and  
11 say, you know, "I believe it was 10 or 15 years ago."

12 THE WITNESS: Okay.

13 MS. POLLOCK: Or "my best estimate is" -- but  
14 just don't guess.

15 BY MS. JUSSEN-COOKE:

16 Q. Just don't guess. And so an example is that if  
17 I were to ask you how long the table in this room is, you  
18 could look at it and you could give me an estimate. But  
19 if I were to ask you how long the table in the room where  
20 Laura is sitting, you would have no basis for that  
21 estimate. You'd be completely guessing. So estimates,  
22 okay; guessing, not.

23 A. Okay.

24 Q. So if you do not tell me that you don't  
25 understand a question I've asked, the court and I will

1 assume that you understood it and that you've given an  
2 accurate and truthful response. If you don't know the  
3 answer to a question I ask, say so.

4 A. Okay.

5 Q. The deposition is being transcribed by our court  
6 reporter, and everything that is said here today will be  
7 recorded. We already went over because of that, nodding  
8 your head or saying things like "uh-huh" makes it  
9 difficult for the court reporter.

10 It's important that we talk one at a time so  
11 that the court reporter can take down everything that's  
12 being said. If people speak simultaneously, the court  
13 reporter will record your statements before anybody  
14 else's. If you need a break for any reason, tell me.  
15 We'll finish the question, and then we can take a break.  
16 Do you understand these instructions?

17 A. Yes.

18 Q. Okay. Is there any reason why today you cannot  
19 give your best, accurate, most truthful testimony?

20 A. No.

21 Q. Are you taking any medications which would  
22 interfere with your ability to answer truthfully and  
23 accurately?

24 A. No.

25 Q. Do you have any physical or emotional conditions

1 that would prevent you from giving accurate testimony?

2 A. No.

3 Q. Did you talk with anyone to prepare for this  
4 deposition?

5 A. Yes. My attorney.

6 Q. And how many times?

7 A. Once.

8 Q. For how long?

9 A. A couple hours, I think.

10 Q. Was anybody else present?

11 A. No.

12 Q. Did you talk to anybody else to prepare for this  
13 deposition?

14 A. No.

15 Q. Were any documents shown to you before this  
16 deposition?

17 A. Yeah. I mean, I just reviewed --

18 MS. POLLOCK: Documents I turned over to you  
19 this morning.

20 MS. JUSSEN-COOKE: Okay. And the documents you  
21 turned over to me this morning?

22 MS. POLLOCK: I'm pretty sure there was an  
23 e-mail sent by my paralegal to share it on Dropbox. Let  
24 me check.

25 THE WITNESS: I think it was Google Drive.

1 MS. POLLOCK: No. It was -- it was for the  
2 production.

3 MS. JUSSEN-COOKE: I have not received anything.

4 MS. POLLOCK: I'll e-mail her to make sure it  
5 goes to your e-mail, but it's on Dropbox.

6 MS. JUSSEN-COOKE: Okay. Can you describe what  
7 those documents are?

8 MS. POLLOCK: Text messages.

9 MS. JUSSEN-COOKE: Do you have a paper copy of  
10 them?

11 MS. POLLOCK: No. I don't have the production.  
12 I didn't print out the production this morning.

13 THE WITNESS: It's all text messages.

14 MS. POLLOCK: What?

15 THE WITNESS: I'm saying it's all the text  
16 messages.

17 MS. JUSSEN-COOKE: Yeah. I still have yet to  
18 receive anything. So we'll wait for those to come  
19 through.

20 BY MS. JUSSEN-COOKE:

21 Q. Were there any other documents that you reviewed  
22 to prepare for this deposition today?

23 A. I read what Laura put in her declaration or...

24 MS. POLLOCK: The petition.

25 THE WITNESS: The petition.

1 BY MS. JUSSEN-COOKE:

2 Q. And when did you read that?

3 A. This morning and a couple pages with Randy.

4 Q. Okay. Any other documents you've reviewed to  
5 prepare for today?

6 A. No.

7 Q. So turning our attention to the documents that  
8 we asked you to bring.

9 And Randy Sue, I'm hoping that we can meet and  
10 confer on those maybe this afternoon after your doctor's  
11 appointment?

12 MS. POLLOCK: I'll call you.

13 (Off the record discussion.)

14 BY MS. JUSSEN-COOKE:

15 Q. So I want to go one by one through what we  
16 requested and get your responses on the record. Document  
17 request number one was for "Any and all checking and  
18 savings account statements, showing a complete  
19 transaction history, from January 10, 2018, through the  
20 date of production, for each checking and savings account  
21 in your name, whether individually or jointly with  
22 another person and/or entity, regardless of whether or  
23 not the account or accounts have been closed."

24 Did you bring documents responsive to this  
25 request?

1 MS. POLLOCK: Did you get the responses?

2 MS. JUSSEN-COOKE: I did.

3 THE WITNESS: No.

4 BY MS. JUSSEN-COOKE:

5 Q. Okay. Why not?

6 MS. POLLOCK: To number one you're talking  
7 about?

8 MS. JUSSEN-COOKE: Uh-huh.

9 MS. POLLOCK: Based on my objection. Well, he  
10 hasn't seen this. I think you did see it.

11 THE WITNESS: So you want bank statements from  
12 this year January 10, 2018, till now?

13 MS. POLLOCK: And that's our objection.

14 THE WITNESS: I don't know what that would have  
15 to do with...

16 MS. POLLOCK: I mean, I object on the record. I  
17 don't understand this question.

18 MS. JUSSEN-COOKE: Okay. I will go through them  
19 and I will one by one note your --

20 MS. POLLOCK: You're asking if he joins in the  
21 objection? I mean, is that what you're really asking?

22 MS. JUSSEN-COOKE: Uh-huh.

23 MS. POLLOCK: Okay.

24 MS. JUSSEN-COOKE: Especially because this was  
25 signed by you.

1 BY MS. JUSSEN-COOKE:

2 Q. So do you join in the objection that was noted  
3 by your attorney in the response and objections to  
4 request for production of documents of deposition of  
5 respondent, Michael Marraccini, that I was provided with  
6 on Monday the 10th?

7 A. Yes. I agree to her objection.

8 Q. Okay. Request number two, "Any and all monthly  
9 statements of account for all credit cards in your name  
10 whether alone or jointly with another person and/or  
11 entity, from January 10, 2018, through the date of  
12 production."

13 Did you bring documents responsive to this  
14 request?

15 A. What is the date of production?

16 Q. Today.

17 A. Okay.

18 Q. Or -- yeah. Today.

19 A. So I agree with her objection again.

20 Q. Okay. Request number three was for records that  
21 showed all of your Uber trips including pick-up and  
22 drop-off addresses from October 1, 2017, through the date  
23 of production.

24 Do you join in your attorney's noted objection  
25 to this request?

1           A. Yes. I agree with the objection.

2           Q. Document request number four was for your Lyft  
3 records including pick-up and drop-off locations from  
4 October 1, 2017, through the date of production. Your  
5 attorney has objected to this, to production of this, on  
6 the grounds that it's overly broad and not likely to lead  
7 to the discovery of admissible evidence. Do you join in  
8 that objection?

9           A. Yes.

10          Q. Document request number five was for all  
11 documents that show "any and all posts you made, or  
12 caused to be made, on Instagram account" or your  
13 Instagram Story from January 1, 2017, through the date of  
14 production. Your attorney has objected to the production  
15 of these. Do you join in that objection?

16          A. Yes.

17          Q. Document request number six was for records  
18 showing "complete printouts or screenshots, of any and  
19 all restaurant reservations made online through an  
20 application-based restaurant reservation service,  
21 including OpenTable, Resy, and Yelp" from October 1,  
22 2017, through the date of production.

23                 Your attorney has objected to providing these.  
24 Do you join in that objection?

25          A. Yes.

1 Q. Document request number seven was for  
2 "Transcripts of all text message communications between  
3 you and Laura Owens from October 1, 2017, through the  
4 date of production."

5 Did you produce documents responsive to this  
6 request?

7 MS. POLLOCK: I did.

8 THE WITNESS: Yeah. I went back even further.

9 BY MS. JUSSEN-COOKE:

10 Q. Okay. Well, I have yet to receive those; so I'm  
11 noting for the record that I have yet to receive  
12 documents responsive to request number seven.

13 Document request number eight was for "Any and  
14 all documents that show you were previously enrolled at  
15 California Polytechnical State University at any time."

16 Did you bring documents responsive to this  
17 request?

18 A. No.

19 Q. Do you join in your attorney's objection to  
20 this?

21 A. Yes.

22 Q. That completes the documents that were  
23 requested. I'm going to move now to ask some background  
24 questions.

25 A. Okay.

1 Q. What is your date of birth?

2 A. June 2, 1987.

3 Q. What's your address?

4 A. 681 Francisco.

5 Q. And where's that?

6 A. San Francisco.

7 Q. When did you move there?

8 MS. POLLOCK: To that address?

9 BY MS. JUSSEN-COOKE:

10 Q. I'm sorry. When did you move to 681 Francisco  
11 in San Francisco?

12 A. I moved there October 2016.

13 Q. Who do you currently live at 681 Francisco with?

14 A. Alex Rapazzini.

15 Q. Can you please spell that last name?

16 A. I'm going to give it my best shot,

17 R-A-P-A-Z-Z-I-N-I.

18 Q. And prior to moving into 681 Francisco in  
19 October, where did you live -- October of 2016, where did  
20 you live?

21 A. Yeah. It was on San Bruno Avenue in Potrero  
22 Hill. I don't remember the exact number.

23 Q. How long did you live there on the San Bruno  
24 Avenue location?

25 A. Twelve months.

1 Q. Before living in the San Bruno residence, where  
2 were you living?

3 A. Walnut Creek.

4 Q. And from what date to what date were you there?

5 A. I was only there for four months, and before  
6 that, I moved from Sacramento. I don't remember the  
7 address. It was on South Creek or South Main Street. I  
8 think that's what it was. Then Walnut Creek.

9 Q. When did you move from Sacramento?

10 A. I would say -- I estimate probably around three  
11 years ago.

12 Q. Okay. What is your occupation?

13 A. Real estate.

14 Q. What do you do in real estate?

15 A. It's a little complicated, but it has to do with  
16 real estate lending. I look at projects, and we fund the  
17 projects if it makes sense. So it's a mix of real estate  
18 building and real estate lending.

19 Q. Who are you employed by?

20 A. LendingHome.

21 Q. How long have you been employed by LendingHome?

22 A. April 1, 2017, until present.

23 Q. Where is your office based out of?

24 A. Financial district of San Francisco.

25 Q. What is your job title at LendingHome?

1 A. Strategic account executive.

2 Q. Have you held that title since joining  
3 LendingHome in April of 2017?

4 A. No.

5 Q. What was your previous title?

6 A. Account manager.

7 Q. When did you change to a strategic account  
8 executive?

9 A. Two months ago.

10 Q. And how much do you earn at LendingHome?

11 A. Like, base plus commission, is that what you're  
12 asking?

13 Q. Roughly, per year?

14 A. I would say 150,000.

15 Q. Who is your supervisor?

16 A. Charles Goodwin (phonetic).

17 Q. Sorry. Did you say Goodwin?

18 A. I did.

19 Q. Sorry. There's quite a bit of background noise.  
20 Where did you work prior to LendingHome?

21 A. Branagh Development.

22 Q. And how much did you earn there?

23 A. \$100,000 a year.

24 Q. What was your title at Branagh Development?

25 A. Project manager.

1 Q. How many positions did you hold at Branagh  
2 Development?

3 A. One.

4 Q. One. And from when -- what date through what  
5 date did you work there?

6 A. I worked there till January 2017. I think I  
7 started in February 2015. Yeah.

8 Q. And why did you stop working there?

9 A. I wanted to move to the -- like, I wanted to  
10 work within the city because Branagh was in the East Bay.

11 Q. Okay. So did you -- did you quit your job?

12 A. We came to a mutual parting, yeah.

13 Q. Okay. And when you say we came to mutual  
14 parting, who was your supervisor there?

15 A. Alex Griffith (phonetic).

16 Q. Prior to your joining Branagh Development, where  
17 did you work?

18 A. Pacific Coast Building Products.

19 Q. And how much did you earn there?

20 A. 70,000.

21 Q. And what were the dates that you worked at  
22 Pacific Coast Building Products?

23 A. I don't remember.

24 Q. Okay. Did you work there up until you started  
25 at Branagh?

1           A. Yeah. I probably had a couple months in between  
2 because I went traveling. So -- but I don't remember the  
3 dates.

4           Q. Okay. What was your position there at Pacific  
5 Coast Building?

6           A. Operations manager.

7           Q. Any other positions that you held there?

8           A. No.

9           Q. Okay.

10          A. And I was actually regional management as well.  
11 So...

12          Q. Have you ever held a position as a real estate  
13 developer?

14          A. Well, I mean, working for a real estate  
15 development company.

16          Q. But --

17          A. No.

18          Q. In what other capacity have you worked in real  
19 estate?

20          A. I worked for Cushman & Wakefield in commercial  
21 real estate. I worked the for Tri-State Development  
22 which was also a real estate development company, and  
23 those are the only two others.

24          Q. Do you have a California real estate license?

25          A. No.

1 Q. Have you ever been a VP of a Fortune 500  
2 company?

3 A. No.

4 Q. Have you ever been an employee of KGO Radio?

5 A. No.

6 Q. Were you ever associated with KGO Radio in any  
7 way?

8 A. I mean, going in there to do interviews, and  
9 then, I mean, I did -- I hosted with Laura I'd say at  
10 least ten shows.

11 Q. Were you paid for hosting those shows?

12 THE WITNESS: Should I answer?

13 MS. POLLOCK: Yeah.

14 THE WITNESS: Yes.

15 BY MS. JUSSEN-COOKE:

16 Q. But you were never an employee of KGO Radio?

17 A. No. That's what the ultimate goal was for --  
18 was to get a job with them.

19 Q. Do you have any volunteer experience?

20 A. Yes.

21 Q. Okay. Where most recently have you volunteered?

22 A. Blue Heart International.

23 Q. And what is Blue Heart International?

24 A. It's for women who have been sex trafficked. So  
25 essentially, what they do is they shelter women, build

1 them houses in Rescue, California.

2 Q. And from what date to what date did you  
3 volunteer for Blue Heart International?

4 A. It's random. Essentially, what they do is they  
5 ask for volunteers whether it's for a black-tie function  
6 or if you're going to be helping build, essentially, like  
7 -- or, like, moving material from one site to another  
8 site to help them build.

9 Q. When most recently did you volunteer for them?

10 A. I would say a couple years ago.

11 Q. Any other volunteer experience?

12 A. I mean, no. I go to SPCA and, like, pet dogs.

13 But I wouldn't consider that volunteering.

14 Q. Okay. Anything else?

15 A. No.

16 Q. Okay. Where did you go to college?

17 A. Started off at Cal Poly and then went to  
18 Sacramento State.

19 Q. From what date through what date were you at Cal  
20 Poly?

21 A. I was there one quarter. So I graduated high  
22 school in 2005. So what would it be, September 2005 till  
23 -- immediately left right after that. I mean, it was one  
24 quarter there. I don't know. Whatever one quarter is,  
25 two months.

1 MS. POLLOCK: It was a quarter, not a semester?

2 THE WITNESS: Quarter system.

3 BY MS. JUSSEN-COOKE:

4 Q. Did you earn any type of degree or anything  
5 whatsoever from Cal Poly?

6 A. No.

7 Q. Where did you live when you were attending Cal  
8 Poly?

9 A. Los Osos Avenue in San Luis Obispo.

10 Q. You didn't live in the dorms?

11 A. No. I lived with my friends.

12 Q. And who were the friends you lived with?

13 A. Ryan Hughes (phonetic) and Kyle Libby  
14 (phonetic).

15 Q. But you were actually enrolled?

16 A. Yes.

17 Q. Okay. And then when did you -- did you  
18 immediately transfer to Sacramento State?

19 A. No. I took time off in between.

20 Q. When did you start at Sac State?

21 A. I couldn't tell you. I don't remember the  
22 dates.

23 Q. Approximately, would you say that you started at  
24 Sacramento State in 2006?

25 A. No.

1 Q. 2007?

2 A. It was a couple years later. Maybe a few years  
3 later.

4 Q. When did you graduate from Sacramento State?

5 A. 2011, 2012. I don't remember.

6 Q. And what was your degree in?

7 A. I had a degree in communications, and then I had  
8 a minor in business finance.

9 Q. Were you ever affiliated in any way whatsoever  
10 with USC, University of Southern California?

11 A. I was. I got enrolled there for business  
12 school.

13 Q. When was that?

14 A. After Sacramento State. I never went, though.

15 Q. How come?

16 A. At the time I was going to be going for business  
17 school, and I was going to do it online. And I didn't  
18 think -- after talking about it with my family and my  
19 godfather, we all decided that I didn't need to do it at  
20 that time.

21 Q. When you say you didn't need to do it at that  
22 time, was it your intention to --

23 A. Maybe go later on.

24 Q. But you received enrollment at University of  
25 Southern California?

1 MS. POLLOCK: Vague. Was he accepted or was he  
2 just --

3 BY MS. JUSSEN-COOKE:

4 Q. You were actually enrolled you said?

5 A. No. Sorry. I was accepted into the school.

6 Q. You were accepted. But you never enrolled?

7 A. I never enrolled, no.

8 Q. Okay. I'm going to shift now and talk about  
9 your relationship with Laura.

10 A. Okay.

11 Q. When did you meet Laura?

12 A. It was, like, April, maybe March of -- all these  
13 dates. It was March 2016 I would say. Yeah.

14 Q. And how did the two of you meet?

15 A. We met on an online dating platform.

16 Q. What was that platform?

17 A. I think it was Bumble. That was the name of the  
18 platform.

19 Q. Okay. And can you explain that initial -- how  
20 the two of you came to --

21 A. Yeah.

22 Q. -- go from -- because I'm not familiar with  
23 Bumble. So if you can explain how that works, that would  
24 be great.

25 A. Yeah. So we said that -- she said that she was

1 in Sacramento at the time. I think I was there visiting  
2 my family. She was doing a horse show. So we had our  
3 first date at a sushi restaurant in El Dorado Hills.

4 MS. POLLOCK: What she wants to know is how do  
5 you --

6 THE WITNESS: Oh. How do you communicate?

7 MS. POLLOCK: What is Bumble?

8 MS. JUSSEN-COOKE: Yeah. Explain how -- yeah.

9 THE WITNESS: Bumble is an online, essentially,  
10 platform where you have a profile. You get a limited  
11 amount of pictures, maybe four or five photos, and then  
12 you have, like, a little diagram about yourself, like a  
13 bio. And then that's it.

14 BY MS. JUSSEN-COOKE:

15 Q. Okay. So are you certain that it was through  
16 Bumble that you met?

17 A. I think it was.

18 Q. Were there other online dating...

19 A. Yeah. You're on multiple online dating  
20 platforms.

21 Q. What other platforms were you on?

22 A. I was on Hinge, H-I-N-G-E. I was also on The  
23 League.

24 MS. POLLOCK: The League?

25 THE WITNESS: Yeah.

1 BY MS. JUSSEN-COOKE:

2 Q. And what's the difference between Bumble, Hinge,  
3 and The League? Is there -- can you explain any kind of,  
4 like --

5 A. I think they're just all a little bit different.  
6 Like, essentially, The League pulls -- you have to be,  
7 like, accepted onto it. I don't know. Hinge, you have  
8 to be a mutual connection with somebody in order to,  
9 essentially, reach out.

10 Q. Okay.

11 A. So -- and then Bumble is just a random  
12 assortment of individuals.

13 Q. So how long would you say that you were involved  
14 romantically with Laura?

15 A. Year and a half probably, I estimate. Like, it  
16 was on and off for a year and a half I would say.

17 Q. So when was it off-off? When was your  
18 relationship finished?

19 A. Like no more communication? I would say I  
20 blocked her from everything in December of 2017.

21 Q. So you dated beyond March 2017?

22 A. Yes.

23 Q. Can you please explain to me how you  
24 characterized your relationship with Laura?

25 A. We were exclusive with one another. We -- I

1 would say we dated. I mean, I wouldn't -- I never used  
2 the term boyfriend and girlfriend with her, but I would  
3 -- we were exclusive with one another.

4 Q. Why didn't you use the term boyfriend and  
5 girlfriend with her?

6 A. I thought that she was emotionally unstable, and  
7 I was, like, dating an emotional roller coaster. So I  
8 didn't want to -- I couldn't take that next step with  
9 her.

10 Q. Even though -- but you were exclusive with her?

11 A. Correct.

12 Q. Okay. And so when you say it was an emotional  
13 roller coaster, can you explain a little more what you  
14 mean by that?

15 A. Yeah. She was -- she would take uppers and  
16 downers. Her personality -- she'd be a sweetheart at  
17 moments where -- incredibly caring and generous, and  
18 other parts where she was -- would have, like, manic  
19 episodes where she would freak out and for no reason.

20 Q. When did that first happen?

21 MS. POLLOCK: Which event?

22 BY MS. JUSSEN-COOKE:

23 Q. When did -- was there any type of emotional  
24 episode? In your memory when's the first time that  
25 happened?

1           A. It was peppered throughout the entire  
2 relationship, but I would say fall 2016.

3           Q. Would you say that you and Laura had the same  
4 interest in having a committed relationship?

5           A. Yes.

6           Q. So you would say you were equally interested in  
7 being committed with her as she was?

8           A. She was a lot more aggressive about wanting to  
9 be in a relationship. I told her that if we were able to  
10 work out the kinks that I could see a commitment in the  
11 future.

12          Q. And what were those kinks that you wanted to  
13 work out before you wanted to be committed to her?

14          A. That she needed to, essentially, have a stable  
15 life outside of me. I felt like everything was either  
16 her horses or me, didn't really have a social life, was  
17 always depressed, and would be on either Ambien or  
18 antidepressants or ketamine. Something along those  
19 lines.

20          Q. When did -- when is the first time, to your  
21 knowledge, that Laura took ketamine?

22          A. Later. Later in the relationship.

23          Q. Okay. So would it be fair to say that she  
24 wasn't always on --

25          A. Yeah. But she was on other antidepressants.

1 Q. Do you know when she was prescribed  
2 antidepressants?

3 A. They were always tweaking the dosages. I don't  
4 know. She was always switching. And they're in the text  
5 messages, but I don't know the exact names of them.

6 Q. Okay. So would you -- what would you tell Laura  
7 about -- give me a second. That's not good.

8 You mentioned that you wanted to work out the  
9 kinks.

10 A. Yes.

11 Q. Would you communicate that to Laura?

12 A. Absolutely.

13 Q. What would you say to her?

14 A. That we needed to take it day by day, and if we  
15 can have more pros than cons, then we could have a future  
16 together.

17 Q. Was there a point at which you no longer wanted  
18 to be in a committed relationship with Laura?

19 A. Yeah.

20 Q. When was that?

21 A. It was, I mean, on and off. But, like, when I  
22 finally pulled the plug was I think in November,  
23 December 2017.

24 Q. And what happened when you pulled the plug?

25 A. Blocked her from everything.

1 Q. Did you communicate with her?

2 A. Absolutely.

3 Q. Sorry. Let's wait for the tram. So how did you  
4 communicate with Laura that you no longer wanted to be in  
5 a committed relationship with her in November or December  
6 of 2017?

7 A. I --

8 MS. POLLOCK: '16. Or did you say '17?

9 THE WITNESS: '17.

10 MS. POLLOCK: Oh, sorry.

11 THE WITNESS: Yeah, 2017. I had a phone  
12 conversation with her.

13 BY MS. JUSSEN-COOKE:

14 Q. And what did you say during that phone  
15 conversation?

16 A. That I didn't think that we were right for each  
17 other, and she was pretty -- she started crying. She  
18 said that she would do anything to make it work, and I  
19 just had finally kind of hit my wits end with everything  
20 and decided we just had to move on. I didn't want -- I  
21 wanted to remain friends, but at the same time I knew it  
22 wasn't going to be healthy if we were to remain friends.  
23 So that's why I blocked her from all social media and  
24 phone and everything.

25 Q. What else did the two of you discuss during

1 that phone conversation in November or December of 2017?

2 A. She wanted me to come over. She said she would  
3 do anything to have me come over. I said, "No." And  
4 then she said that she only wanted to the absolute best  
5 for me because I deserved it. I said the exact same  
6 thing for her, and I thought she deserved it. And we  
7 kind of got off the phone from there.

8 Q. Did you discuss anything else at all during that  
9 conversation?

10 A. It was like a break-up conversation. We didn't,  
11 like, carry it out for a long period of time. It was  
12 pretty short. I'd say five to ten minutes.

13 Q. Would you be able to find a record of that phone  
14 call?

15 A. If the carrier does it, then absolutely.

16 Q. Okay.

17 MS. POLLOCK: Just a record of the call?

18 MS. JUSSEN-COOKE: Of the call and it's  
19 duration.

20 MS. POLLOCK: Okay.

21 MS. JUSSEN-COOKE: Okay.

22 BY MS. JUSSEN-COOKE:

23 Q. How would you characterize Laura's relationship  
24 with your sister, Stephanie Marraccini, while the two of  
25 you were dating?

1           A. I think they were friendly towards one another.  
2 They would have -- you know, my sister went to a couple  
3 of her horse shows, and they were friendly. I mean, they  
4 lived, like, a block apart from one another, a couple  
5 blocks from one another. So they would chat. We went to  
6 dinner a couple of times, but they would mostly chat via  
7 text and phone calls.

8           Q. Okay. How often would you say that you -- that  
9 Laura hung out with your sister while you were dating?

10          A. Over the whole length of our relationship?

11          Q. Yeah. Like, just -- was it, like, for example,  
12 once a week on average? Or --

13                 MS. POLLOCK: Vague as to "hung out."

14 BY MS. JUSSEN-COOKE:

15          Q. Spent time in person with one another.

16          A. Probably ten times.

17          Q. Ten times total?

18          A. Yeah. Maybe give or take a couple.

19                 MS. POLLOCK: Are you sure?

20                 THE WITNESS: Oh. I mean, sorry. I wouldn't  
21 say -- they did not hang out very often. I would say, if  
22 anything, once a month.

23 BY MS. JUSSEN-COOKE:

24          Q. Okay. That's fine. Would they spend time, to  
25 your knowledge, with each other outside of your presence?

1 A. Yes. They went to a horse show together.

2 Q. How would you characterize Laura's relationship  
3 with, I believe it's your sister's fiance --

4 A. Yeah.

5 Q. -- or Colin Scanlon?

6 A. Correct.

7 Q. And describe what that relationship was like.

8 A. They didn't really have a relationship. He  
9 witnessed a conversation one night, and then I think we  
10 went out to dinner a few other nights. So he rarely ever  
11 saw her, but the one conversation that he did, like, take  
12 witness to was Laura's father, Laura, and me, like, in  
13 December 2016 having a very serious conversation.

14 Q. Okay. And what was the nature of that  
15 conversation?

16 A. About Laura lying.

17 Q. Okay. About -- lying about what?

18 A. Essentially, a pregnancy, an abortion, and  
19 saying that she was creating these stories and her dad  
20 was there to, essentially, talk to me; and I wanted  
21 somebody there for my side to witness what I was going  
22 through.

23 Q. And you called Colin to serve as that witness?

24 A. Yeah. I wanted a non-bias, somebody that's not  
25 part of my family, to make sure that I'm not, like, going

1 crazy, that I was essentially hearing them correctly.  
2 And that's why I had him come because he's levelheaded  
3 and he's not biased.

4 Q. And so did he witness the entire conversation --

5 A. Yes.

6 Q. -- that night.

7 A. He did.

8 Q. Okay. And what were the lies, the alleged lies,  
9 that Laura told?

10 A. She said that she did have an abortion, and she  
11 didn't. She said that -- and we were talking everything  
12 about suicides, that she wanted to commit suicide. We  
13 talked about other lies that she said was about her  
14 pregnancy for the second time. She lied about that, and  
15 her dad confirmed that.

16 She then went into talking about her  
17 antidepressant medications and her dad was just there to,  
18 essentially, tell me that -- what was then going on had  
19 to stop. And what he meant by that was her lying.

20 Q. When you say she lied about the pregnancy, what  
21 specifically did she lie about?

22 A. She said that she was pregnant twice over the  
23 course of, like, four months, maybe five months; and it  
24 wasn't true. She would go in to have, essentially, an  
25 abortion with no pregnancy.

1 Q. And did you go with her?

2 A. To one of them, yeah. I wasn't allowed back in  
3 the room, but I went with her to the doctor's office.

4 Q. Okay. For her abortion?

5 A. For her abortion, yes.

6 Q. Okay. Did you ever receive -- how did you know  
7 that she went in for a second abortion?

8 A. She would tell me.

9 Q. Okay. What did she say? What did she tell you?

10 A. Well, this was, like -- the final straw is when  
11 she said that she had the abortion and she never -- she  
12 never did. So she said that she went in afterwards and  
13 took a pill, essentially, is what she told me.

14 Q. I'm sorry. And this was for the first or the  
15 second pregnancy?

16 A. I was -- yeah. I get the two, like, I guess  
17 mixed up because this was in December. So it would be  
18 the second pregnancy.

19 Q. Okay.

20 A. I do get the two of them confused, though.  
21 So...

22 Q. I'm going to finish just another line of  
23 questioning, and then we'll take a quick break if that's  
24 okay with everybody.

25 MS. POLLOCK: Sure.

1 BY MS. JUSSEN-COOKE:

2 Q. So how would you -- that's -- thank you for  
3 sharing how you characterized Colin's relationship with  
4 her. How about your relationship with Laura's parents?  
5 What was that like?

6 A. Really good. I thought, like, her dad and I had  
7 a -- we seemed, like, we were very cordial with one  
8 another. Her mom, every time I would see her, I'd give  
9 her a hug. Saw them more often than I would say that she  
10 met my family because they lived here in the city, and  
11 they were -- they go out to dinner every night. So I  
12 would see them often.

13 Q. Okay. And would you go out for dinner with  
14 Laura and her parents?

15 A. Yeah. Quite often, yeah.

16 Q. Did you ever interact with her parents  
17 independently of Laura?

18 A. No.

19 Q. Okay.

20 A. I mean, we would text every once in awhile.

21 Q. And how about Laura's relationship with your  
22 mother?

23 A. My mom went to a horse show. She went out to  
24 dinner a couple times with us, but it was pretty minimal.

25 Q. Okay. So would you say that they had a

1 relationship independent of you?

2 A. No.

3 Q. Okay.

4 A. I think they would text every once in awhile,  
5 though.

6 Q. Okay. Let's take a quick break. And we'll go  
7 off the record.

8 (Recess Taken.)

9 BY MS. JUSSEN-COOKE:

10 Q. And I wanted to just ask a couple of clarifying  
11 questions about things we've already covered. One of  
12 those was you mentioned that you were paid for hosting on  
13 KGO. How much were you paid for doing that?

14 A. More than a thousand dollars, less than 2,000.  
15 I don't remember the exact amount.

16 MS. COURSON: Is that per show?

17 THE WITNESS: No. That was over the course of  
18 -- Laura paid me, but it was over -- she said she was  
19 getting paid by them, like, a quarter million dollars a  
20 year. And since I hadn't been paid and I had been  
21 putting in hours that she wanted me to get paid for my  
22 time until the contract was done with them.

23 BY MS. JUSSEN-COOKE:

24 Q. So you were never paid by KGO?

25 A. No.

1 Q. You were paid by Laura?

2 A. Correct.

3 Q. Okay. What else did Laura pay you for during  
4 the course of your relationship? Did she pay you for  
5 other things?

6 A. Like, just give me money? No.

7 Q. Did she pay you for performing other jobs or  
8 tasks?

9 A. Performing other jobs, no.

10 MS. POLLOCK: Vague.

11 BY MS. JUSSEN-COOKE:

12 Q. Did you receive compensation from Laura for work  
13 for anything other than hosting on KGO?

14 A. No.

15 Q. Okay. I want to ask a couple more questions  
16 about this issue around Laura's pregnancy and abortions.

17 A. Okay.

18 Q. How long had you been dating her when she became  
19 pregnant?

20 A. I don't remember.

21 Q. Do you remember -- when do you remember her as  
22 being pregnant?

23 A. I remember it going on for a long period of  
24 time. It felt like eternity, but I think it was only a  
25 couple months. Maybe, I think it was fall 2016.

1 Somewhere around there. Maybe earlier; maybe later.

2 Q. Okay. Did you ever watch Laura take a pregnancy  
3 test?

4 A. No.

5 Q. Were you ever with her when she took a pregnancy  
6 test?

7 A. She sent me a photo of her taking a pregnancy  
8 test or sent me a photo of the result of the pregnancy  
9 test.

10 Q. But you were not -- were you in the same --  
11 where were when you received that photo?

12 A. I was out to dinner with friends.

13 Q. You were out -- who were you with?

14 A. At the time I think I was Kyle Libby, one of --  
15 actually and Ryan Hughes. Maybe it was Kyle Libby and  
16 Colin Holly (phonetic). Sorry. Those were the two guys.

17 Q. What was your reaction when you found out Laura  
18 was pregnant?

19 A. Shocked I would say.

20 Q. Shocked. And how did you feel about the  
21 pregnancy?

22 A. I thought we were too -- I remember it was  
23 pretty early on in our relationship; so I felt like  
24 neither of us were ready for a child together.

25 Q. And did you tell Laura how you felt?

1 A. Yes.

2 Q. What was her reaction?

3 A. She was -- she was a little hesitant at first  
4 but she agreed, especially after the dinner with her  
5 family.

6 Q. And what happened during -- do you remember when  
7 that dinner with her family was?

8 A. No. I remember the location, but I don't  
9 remember the timeline of when it was.

10 Q. Okay. What was the location?

11 A. North Beach Restaurant.

12 Q. And what happened during the dinner with her  
13 family?

14 A. Her family, both her mother and dad, appreciated  
15 my honesty, and they said that she should also go through  
16 with it. And they would respect any decision that we  
17 both came to, though.

18 Q. And when you say they appreciated your honesty,  
19 what was it that you told them?

20 A. I told them that I was -- that I didn't think  
21 either of us were ready for a child, and that I think we  
22 should abort the child. If this was further down in the  
23 relationship, then it's a possibility that we would most  
24 likely keep it.

25 Q. Did you -- was there anything else that you told

1 her parents about the pregnancy or your relationship with  
2 Laura?

3 A. I just said we weren't ready. I mean, I don't  
4 remember the exact wording.

5 Q. Okay. So when you say they appreciated your  
6 honesty, your honesty in regards to what?

7 A. Just giving my forthright opinion to them. Most  
8 people would not be -- they would just say "I'm going to  
9 support whatever decision your daughter chooses." And  
10 then once you have the daughter in a different room, you,  
11 essentially -- maybe you would say, like, "Hey. I don't  
12 think we should go through with this."

13 I was upfront with them saying, "I don't think  
14 we should go through with this." And I don't think many  
15 people would do that.

16 Q. And was Laura's opinion about -- or what did  
17 Laura tell her parents during that dinner about wanting  
18 to keep the baby or not?

19 A. She also said it probably -- she said it would  
20 be the best decision for her and us but that it would be  
21 sad having to have an abortion. She was sad about it.

22 Q. Did you know that Laura had a medical condition  
23 that may have made it difficult for her to get pregnant  
24 in the future?

25 A. Yeah. She said she had polycystic ovaries;

1 correct? I think that's what she said.

2 Q. And did she explain to you that that was part of  
3 why she was conflicted about keeping the child or not?

4 A. People have children all the time with  
5 polycystic ovaries. So she said it was a concern, but it  
6 wasn't like a life-detering thing. She kind of -- we  
7 kind of brushed over it because my sister also has it.

8 Q. So you -- she shared with you, though, that she  
9 was conflicted about terminating the pregnancy?

10 A. She said -- I mean, I think it would be  
11 saddening for anybody; so yes.

12 Q. So you were -- just so I'm clear, you were aware  
13 that she felt conflicted about terminating that; right?

14 A. Yes.

15 Q. Okay. So Laura -- I'm not clear about -- is it  
16 your position that she wasn't actually pregnant?

17 A. I think -- I don't think she was pregnant two  
18 times. I think one of them was a made up story, and I  
19 think one might have been legitimate.

20 Q. Which one do you think was legitimate?

21 A. The first time.

22 Q. And why do you think she was pregnant the second  
23 time?

24 A. I think she did that to keep me around because I  
25 think she was going through a lot at the time. She said

1 her dad was terminally ill. She said that she was having  
2 suicidal thoughts. I think this was, like, a way of,  
3 essentially, trying to -- like, another item to keep me  
4 attached to the relationship.

5 Q. Can you give me a rough estimate as to when the  
6 second pregnancy was?

7 A. I would say fall or winter of 2016. Somewhere  
8 in that timeframe. It all -- like, she said that she  
9 legitimately was pregnant twice over the course of, like,  
10 four or five months.

11 MS. COURSON: Earlier you said she'd lied about  
12 the abortion.

13 THE WITNESS: Yes.

14 MS. COURSON: So are you saying that she was  
15 pregnant the first time and then --

16 THE WITNESS: I don't know --

17 MS. COURSON: -- she had an abortion, but then  
18 she lied about being pregnant the second time?

19 THE WITNESS: So when we met up with her father,  
20 he said that she had lied about having the abortion. So  
21 I don't know. Looking back, I don't know what timeline,  
22 what pregnancy was what, what abortion was what. It was  
23 always --

24 BY MS. JUSSEN-COOKE:

25 Q. But you do believe that she did have an

1 abortion?

2 A. Maybe on the first go around. I don't know. I  
3 still to this day don't think she was pregnant.

4 Q. So you don't think she was pregnant at all?

5 A. I don't think she was pregnant because of all  
6 the stories. The timelines never made sense. So I don't  
7 -- looking back now -- at the time I definitely thought  
8 she was pregnant. Looking back now, I don't.

9 Q. Okay. So I just want to be a hundred percent  
10 because I thought earlier you said you did think she was  
11 pregnant one of those times. So is your story that you  
12 don't think she was ever pregnant?

13 A. If she was ever pregnant, I believe it was the  
14 first time. But I -- looking back now, I don't know if  
15 she ever was pregnant. So at the time -- I don't know  
16 how to give you a clear answer on this because at the  
17 time I thought she was pregnant both times because I'm  
18 not going to go and study the timelines of pregnancies  
19 and do everything like that. But looking back now, I  
20 think one of the pregnancies or both were made up.

21 Q. Okay.

22 MS. COURSON: So you also don't think she had an  
23 abortion?

24 THE WITNESS: Correct.

1 BY MS. JUSSEN-COOKE:

2 Q. Did you and Laura ever talk about what would  
3 happen if she kept the baby?

4 A. Yeah. I --

5 Q. And what was your position on that?

6 A. I said that having a baby isn't going to keep  
7 the two of us together. If that's what she's trying to  
8 do by that, then that's not, like, a guarantee to keep me  
9 around. I cared about her for her, not if she's pregnant  
10 or not.

11 Q. And what about your willingness to be involved  
12 with the child if she were to decide to have it? Did you  
13 discuss that?

14 A. If she decided to have it? What do you mean?

15 Q. Yeah. Had she decided to keep the child, did  
16 you talk about whether you would be involved in the  
17 child's life at all?

18 A. She would always give me ultimatums of "If I  
19 keep the child -- if I don't keep the child, will you  
20 stay around? And if I keep the child will you leave?"  
21 She would always give me those ultimatums, and I would  
22 always say to her the same thing. "I will stay around  
23 with or without a child," meaning I will stay in the  
24 relationship with or without a child.

25 Q. And -- but my question was did you discuss

1 whether you would be part of a child's life if she had  
2 the baby?

3 A. I just said I would stay in her life with or  
4 without the child.

5 Q. Did you specifically discuss whether you would  
6 want a relationship with the child?

7 A. I -- we're talking about if she was to keep it,  
8 would I have a relationship with the child?

9 Q. Yeah. Did the two of you discuss that?

10 A. I don't remember.

11 Q. Okay. Did you ever go -- you said you went with  
12 Laura to have an abortion?

13 A. Uh-huh.

14 Q. Where was that?

15 A. Planned Parenthood in Walnut Creek.

16 Q. And who made that appointment at Planned  
17 Parenthood in Walnut Creek?

18 A. She did.

19 Q. She did. So she called them and scheduled that  
20 appointment?

21 A. Yeah. Because she knew I was working out there,  
22 that it would be closer if I went with her to be there  
23 for support.

24 Q. Okay. In your response that you filed, you  
25 stated that you "tried to work things out for purposes of

1 her mental and emotional stability."

2 A. Yes.

3 Q. What do you mean by that?

4 A. Well, if you read the text messages to and from  
5 her parents, they said "Do whatever it takes to keep her  
6 alive." So during certain times, she would be suicidal.

7 And --

8 Q. How many times was she suicidal?

9 A. Over the course of months. I don't know.

10 Q. Over the course of what -- can you give me the  
11 timeframe from the first time that you ever directly  
12 witnessed her being suicidal?

13 A. Yeah. I would say fall 2016 all the way up  
14 until early 2017.

15 Q. How many times did you witness her being  
16 suicidal or threatening suicide?

17 MS. POLLOCK: That's vague.

18 MS. JUSSEN-COOKE: Yeah.

19 BY MS. JUSSEN-COOKE:

20 Q. On how many occasions that you can remember, did  
21 she threaten to commit suicide?

22 A. Multiple times. Probably around five. I mean,  
23 but it would be random because, like, I would be sitting  
24 at work; and she would send a text to her sister, her  
25 sister's boyfriend, and myself saying that she was

1 calling herself a piece shit and nobody cares about her  
2 and she wants to end her life. So, like, I don't know.  
3 Is that considered, like, a suicidal thought? Or do I  
4 have to be with her in that moment? I mean, which one  
5 are you asking me?

6 Q. I guess I'm interested in knowing how many times  
7 Laura expressed to you that she was considering taking  
8 her own life?

9 A. Multiple times. So, yeah. Probably, then five  
10 to ten times.

11 Q. So the first time that you felt -- when was the  
12 first time you felt that Laura was mentally unstable?

13 A. Fall 2016.

14 MS. POLLOCK: I'm sorry, what?

15 THE WITNESS: Fall 2016. I just saw -- like,  
16 that was the first, like, manic -- maybe it was earlier.  
17 Maybe it was July 2016; so it was really early on in the  
18 relationship.

19 BY MS. JUSSEN-COOKE:

20 Q. And what do you mean by manic? Do you have any  
21 medical or mental health training?

22 A. Do I have any mental health training? No.

23 Q. So what do you mean when you say that she was  
24 manic?

25 A. Somebody, essentially, freaking out for no

1 reason, I would say. There was little to no reason to  
2 freak out whether it be me not being able to make it over  
3 a certain night or not being able to see somebody and she  
4 would then accuse me of cheating or doing something with  
5 somebody else. And then she would get her dad on the  
6 phone. He would calm her down. She'd get her mom on the  
7 phone. She'd calm her down. That's what I'm saying when  
8 I say manic.

9 Q. Okay. And the first time that you witnessed  
10 that was when?

11 A. I would say July. Like, around July, summer of  
12 2016.

13 Q. And specifically, in the summer of 2016, you  
14 witnessed her -- and just let me know if I'm getting this  
15 wrong. But you witnessed her getting upset because you  
16 didn't do something?

17 A. I mean, she was getting upset for a multitude of  
18 reasons. I'm just throwing out a random example, but  
19 yes. There was always a ridiculous reason as to why she  
20 was getting upset.

21 Q. How frequently between July 2016 and, I think  
22 you said that it went through early 2017, did you witness  
23 these episodes of --

24 A. We're talking about the suicidal episodes;  
25 right?

1 Q. No. I'm talking about what you're referring to  
2 as these manic episodes.

3 A. Oh. The manic episodes went all the way up  
4 until late 2017, but the suicidal ones I'm talking about  
5 ended in early 2017.

6 Q. So I just want to -- like, I want to understand  
7 all the reasons why you think she was mentally unstable.  
8 So there was a manic, what you describe as manic,  
9 episodes?

10 A. Yeah.

11 Q. And there were Laura's discussion of wanting to  
12 take her own life. Is there any other reasons why you  
13 think she was mentally unstable?

14 A. Well, I'll tell you this example. I remember  
15 this clearly. July 2016, it was my -- the anniversary of  
16 my father's death. I couldn't make a black-tie event  
17 that night because I was with my family and friends  
18 celebrating the anniversary of his life. She was  
19 incredibly pissed off because I didn't show up to the  
20 dinner, though, I gave her plenty of warning of a couple  
21 days. And she decided to call me crying, told me how  
22 upset she was, and then essentially, would be pissed off  
23 and to the point where I had my friends on -- she was on  
24 speaker phone and I had my friends listening as well.

25 Q. Okay. And but you're describing --

1           A. I'm describing, like, one -- you asked me for an  
2 example of -- one example; right?

3           Q. So that's an example of why you think she's  
4 mentally unstable?

5           A. Well, if you would've heard her screaming, yes,  
6 you would think that because I didn't show up to a  
7 black-tie dinner that I gave her warning that I wasn't  
8 going to make it to.

9           Q. Okay. From July 2016 through, let's say, July  
10 of 2017, did you tell Laura that she should seek mental  
11 health treatment?

12          A. Can you repeat the dates?

13          Q. Yeah. Between July of 2016 and July of 2017.

14          A. Did I tell her to seek treatment then? I don't  
15 remember.

16          Q. Did you ever tell her to seek mental health  
17 treatment?

18          A. Both her family and I thought it would be good  
19 for her in December, yes. She got admitted to an  
20 inpatient therapy.

21          Q. Did you ever go see her at this inpatient  
22 facility?

23          A. No.

24          Q. How do you know she was admitted to an inpatient  
25 facility?

1 A. Her mom text me.

2 Q. But you have no personal knowledge that she was  
3 admitted to an inpatient facility?

4 A. No. I went off her mom's word.

5 Q. What happened in December of 2016 around the  
6 incident that you're describing?

7 A. She was suicidal. She wanted to end her life  
8 multiple for -- I don't remember the exact reason, but  
9 she wanted to end her life.

10 Q. And were you with her? Did she tell you that  
11 directly?

12 A. I was with my family; so she told me on the  
13 phone. Yeah.

14 Q. And what was your response?

15 A. I mean, I didn't want somebody to die on my  
16 watch; so I wanted to talk to her, calm her down. And  
17 her father would text me "Say whatever you have to say to  
18 keep her alive." So I did whatever I could to keep her  
19 alive.

20 Q. Did you ever tell Laura that she needed to be  
21 medicated?

22 A. She was already medicated. I told her that she  
23 should adjust medications. And they would always say  
24 that as well.

25 Q. Who's they?

1 A. Her parents.

2 Q. When did you tell her that she needed to adjust  
3 her medications?

4 A. When I would see her go from very happy at a  
5 dinner to very unhappy at the end of the dinner, or at --  
6 like, an hour after for no apparent reason when we're  
7 watching a TV show. So...

8 Q. What is -- to your knowledge, when is the first  
9 time Laura was on medications?

10 A. She was pretty upfront about it from the very  
11 beginning. I'd say -- I mean, she said she'd been on it  
12 forever. I mean, not forever, but she said she'd been it  
13 for a long time. She'd been taking Ambien for years and  
14 years. She said that she was -- what's the  
15 antidepressant? Prozac. She said she takes Prozac. She  
16 told me that she would take antidepressants. So she was  
17 always upfront about taking medications.

18 Q. Do you have a history of mental illness?

19 A. No.

20 Q. So is there any other reason that you think that  
21 she is mentally unstable?

22 A. Is there any other reason I think she is  
23 mentally unstable? Is that your question?

24 Q. Yes.

25 MS. POLLOCK: Other than the manic --

1 BY MS. JUSSEN-COOKE:

2 Q. Other than the medications, what you describe as  
3 manic behavior, and the suicide -- the references to  
4 suicide that she made.

5 A. She'd go into severe depression, and then go  
6 from wanting to kill herself to incredibly happy the next  
7 day like nothing happened. So I mean, over the course of  
8 our relationship, there was a lot of manic episodes. So  
9 I don't know how to answer your question, I guess.

10 Q. And was that all following the pregnancy?

11 A. No. I mean, are you asking was she in  
12 depression before the pregnancy?

13 MS. POLLOCK: Objection. Vague as to what we're  
14 talking --

15 MS. JUSSEN-COOKE: I'm sorry.

16 BY MS. JUSSEN-COOKE:

17 Q. Was the depressive episodes that you just  
18 mentioned, did those all take place after the pregnancy?

19 A. No.

20 Q. So when is the first episode that you remember?

21 A. Well, I just gave you an example of one in July.  
22 I think there was ones before that -- of 2016.  
23 July 2016. So I'm sure there was some before that.

24 Q. Some of the what you described as manic or the  
25 depressive? Sorry. I'm just trying to get clear as to,

1 like, what exactly it is you're saying when you say that  
2 she's -- she had these symptoms and these what you  
3 describe as mental instability.

4 A. I guess, what would be the correct way to  
5 describe it? And then you can give me an example and  
6 I'll tell you if she was doing that or not.

7 Q. Well, you say that she was exhibiting -- she was  
8 acting depressed; right?

9 A. Uh-huh, yeah.

10 Q. What do you mean when you say that?

11 A. Very down on herself. She said that she was  
12 worthless. She would say that -- that she was just down  
13 on herself and that she was upset for no reason, that --  
14 I mean, I don't know what a depressed person exhibits to  
15 make them depressed, but she would always say she was  
16 depressed.

17 Q. Okay.

18 A. It wasn't me just coming up with that theory. I  
19 mean, she was medicated before I ever met her, and she  
20 would tell me she had issues of depression.

21 Q. Okay.

22 MS. COURSON: Do you recall on the day -- and  
23 you might've already said this -- when Laura first said  
24 she was pregnant?

25 THE WITNESS: No. I mean, I don't remember.

1 MS. COURSON: Can you estimate, you know, around  
2 the time?

3 THE WITNESS: I thought it was fall 2016.

4 MS. JUSSEN-COOKE: Okay.

5 MS. COURSON: So then -- okay. Thanks.

6 BY MS. JUSSEN-COOKE:

7 Q. Do you recall a time in 2017 when Laura was  
8 hospitalized after falling from a horse?

9 A. She was hospitalized multiple times, yeah.

10 Q. When were those?

11 A. I know she was with my family one time in July.  
12 She was hospitalized in, I think, the winter from an  
13 accident, car accident.

14 MS. POLLOCK: Winter or fall?

15 THE WITNESS: Sorry. I think it was 2017, early  
16 2017, from a car accident. She was -- she hit her head  
17 -- in text messages to me that she had a seizure, hit her  
18 head, went to the hospital in February -- what was that?  
19 Late February.

20 BY MS. JUSSEN-COOKE:

21 Q. February of 2017?

22 A. Yeah. I witnessed her falling off of a horse I  
23 think in March or April 2017. I mean, yeah.

24 Q. And so you mentioned that she was with your  
25 family. You said that was July of 2017?

1 A. Yeah. It was summer of 2017.

2 Q. Okay. What happened during that time?

3 A. She had a seizure on top of a horse and fell off  
4 face first onto her -- onto the ground and had a seizure  
5 on the ground.

6 Q. Did you go see her when she was in the hospital?

7 MS. POLLOCK: Object. Assumes facts not in  
8 evidence.

9 MS. JUSSEN-COOKE: I'm sorry.

10 MS. POLLOCK: Was she in the hospital for that?

11 BY MS. JUSSEN-COOKE:

12 Q. Oh. Was she hospitalized?

13 A. I think, yeah. That is what her family's told  
14 me and my parents, my family, as well told me she was  
15 admitted -- she was taken in an ambulance to the  
16 hospital.

17 Q. Okay. So your family was with her at the  
18 hospital; is that correct?

19 A. I don't know if they were with her. I just  
20 remember that they watched her be taken away. I'm sure  
21 they were with her. Like, I don't remember. I don't  
22 recall if they were -- what the exact details were. I  
23 just remember being worried.

24 Q. You were worried. So did you go visit her in  
25 the hospital?

1 A. No. They told me not to drive out there.

2 Q. Who told you not to drive out there?

3 A. Her family because they were going to release  
4 her later that evening.

5 Q. Did you talk to Laura when she was hospitalized?

6 A. I did.

7 Q. Was there anything unusual about your  
8 conversation with her?

9 A. She sounded concussed.

10 Q. What do you mean --

11 A. I -- so playing sports, when somebody gets  
12 concussed, they're kind of out of it, like, they're very  
13 aloof to when you're talking to them. Obviously, I'm not  
14 a doctor, but what I'm saying is she wasn't making sense  
15 in a lot of things. And her mom said she was in the  
16 report, whatever I think it's called. But on the phone,  
17 I didn't think she was making much sense because she  
18 wanted to hop out of the ambulance in the middle of the  
19 car ride. She actually had the ambulance pull over.

20 MS. POLLOCK: Wait. She actually --

21 BY MS. JUSSEN-COOKE:

22 Q. Sorry. Say that again.

23 A. Yeah. I was told -- because I was, like --  
24 Laura was still -- she had her phone on her, so she was,  
25 like, talking to me on her phone or maybe it was her

1 mom's phone. I don't remember. But I remember then I  
2 would, like, switch over to my mom and my sister because  
3 they were following her to the hospital, following the  
4 ambulance. And then they would say, like, "Hey. The  
5 ambulance is pulling over." Then I'd get a phone call  
6 from Laura saying she doesn't think she needs to be  
7 admitted to the hospital. They were taking her there for  
8 precautionary reasons because she had a seizure, fell off  
9 the horse. So I did not -- I don't remember what  
10 question I was answering now that the siren went by.  
11 But...

12 Q. We'll move on. Did you know that Laura had a  
13 seizure disorder?

14 A. She told me after her car accident that that was  
15 the correlation that she said, after having a car  
16 accident when she was riding in an Uber, that she started  
17 getting seizures.

18 Q. Okay. When did you and Laura decide to go to  
19 Iceland?

20 A. We never decided. She bought the ticket and the  
21 trip without my knowing, and it says that in the text  
22 messages.

23 Q. Which I haven't had a chance to review.

24 A. Well, I sent it to her mom. That was the one I  
25 wrote to her in December, and so you do have those.

1 Q. So you didn't decide -- did you ever express  
2 interest to her in going to Iceland?

3 A. We both talked about places we wanted to visit,  
4 but that doesn't mean that's the exact place I wanted to  
5 go.

6 Q. Was it a place you told her you wanted to visit?

7 A. It was a place that we both said looked very  
8 pretty; so I'm sure we both said, yes, we wanted to go  
9 there at one point.

10 Q. Are you guessing that you said yes? Or are you  
11 sure that you said yes?

12 MS. POLLOCK: Yes to going --

13 MS. JUSSEN-COOKE: Yes to wanting to go to  
14 Iceland.

15 MS. POLLOCK: That's vague.

16 THE WITNESS: I mean, I want to travel the  
17 world. I mean, everybody wants to go see every place.

18 BY MS. JUSSEN-COOKE:

19 Q. You're sure you told -- did the two of you  
20 discuss taking a trip to Iceland?

21 A. After she bought the ticket and the trip, yes.

22 Q. Okay. So it's your testimony that you didn't  
23 have any discussions about going to Iceland until after  
24 she booked a trip?

25 A. I mean -- okay. This is going to get confusing.

1 We had talked about places that we wanted to go and  
2 visit, but like, we never, like, ranked them in order of,  
3 like, "Hey. This is where we're going to go together.  
4 Or this is a trip I want to do with you." We would say  
5 -- she would be, like, "Well, what places do you want to  
6 go?" And I would ask her "What places do you want to  
7 go?" It's like a normal dinner conversation.

8 Q. So you were totally surprised that she had  
9 bought tickets and booked a trip to Iceland?

10 A. Yes. Because it was after the suicidal  
11 depression, yes. I was very surprised.

12 Q. And so there was no planning, no discussion of  
13 it prior to you finding out that she had already booked a  
14 ticket?

15 A. No. I had no idea she was going to book a  
16 ticket.

17 Q. Okay.

18 A. And it says that in the text messages.

19 Q. In your text message that you sent to her mom  
20 or --

21 A. To her mom in one of them and then -- and to  
22 her, to Laura, on my text message, I guess, that you are  
23 going to receive.

24 Q. So when did you and Laura go to Iceland?

25 A. Over new years of 2000 -- it would have been the

1 new year of 2017.

2 Q. So 2016 to 2017?

3 A. Uh-huh.

4 Q. On the flight to Iceland in December -- let me  
5 back up. Was the flight in December 2016 or January of  
6 2017?

7 A. It would've -- I mean, well there was two  
8 flights.

9 Q. The flight to Iceland.

10 A. The flight to Iceland. So it would've been  
11 December 2016.

12 Q. On the December 2016 flight to Iceland, was  
13 Laura upset?

14 A. Yes.

15 Q. What was she upset about?

16 A. She was upset that I wasn't saying that we were  
17 in a relationship. She wanted me to go on social media  
18 and say that we were boyfriend and girlfriend.

19 Q. And why didn't you want to?

20 A. Because I had just witnessed her wanting to  
21 comit suicide a few days prior and for the duration of a  
22 month. So I said that I wanted to take it a day at time.  
23 "You had to earn back my trust."

24 Q. Did you feel -- how do you feel Laura violated  
25 your trust?

1           A. I felt like she violated because she was an  
2 emotional roller coaster. Like I said, I just felt like  
3 she would say one thing and then the next moment she'd  
4 feel something differently. And so I couldn't trust her  
5 in that sense. I couldn't trust that I was going to have  
6 a stable emotional relationship with her.

7           Q. So she was upset that you wouldn't post on  
8 social media that you were in a relationship with her?

9           A. Yeah. She was just upset that I wasn't  
10 forgiving her for what she had just put me through  
11 because she'd ruined the holidays for my family.

12          Q. Because she was suicidal, you're saying -- I'm  
13 sorry. Can you clarify when you say she ruined --

14           MS. POLLOCK: Yeah. Clarify.

15 BY MS. JUSSEN-COOKE:

16          Q. -- the holidays for you and your family? What  
17 do you mean by that?

18          A. Yeah. I shouldn't say ruin. That's a strong  
19 term, but she put a big damper on, like, our holiday and  
20 spending time with family because she was upset and  
21 suicidal. And so I felt like most of my trip back home  
22 was on the phone with her trying to calm her down.

23           MS. POLLOCK: Trip home from where?

24           THE WITNESS: Well, I lived in San Francisco and  
25 my family lives in Sacramento.

1 BY MS. JUSSEN-COOKE:

2 Q. So when you say you -- what she put you through,  
3 that's what's your referencing?

4 A. Correct.

5 Q. So on the flight was Laura crying?

6 A. Yeah.

7 Q. And did you try to comfort her at all?

8 A. In the beginning I did.

9 Q. How would you -- what would you say to her to  
10 comfort her?

11 A. Like, "We'll take it a day at a time. We're  
12 going on a trip together. Stop focusing on what other  
13 people think of our relationship and focus on, like,  
14 trying to have a good time." And she kept bringing up  
15 the past, like, if I forgive her. "Do you forgive me for  
16 lying to you? Do you forgive me about being suicidal?"  
17 And I would say -- I mean, I would say that I'm not -- I  
18 forgive her, but I'm not ready to take the next step in  
19 our relationship and just be gung ho like nothing  
20 happened.

21 Q. So she was -- I just want to understand what she  
22 was seeking your forgiveness for.

23 A. For lying to me.

24 Q. About what?

25 A. An abortion.

1 Q. Okay. Was there anything else she was asking  
2 your forgiveness for?

3 A. Well, she -- I mean, it was mostly for lying to  
4 me. I didn't -- I had trust issues with her and her  
5 family because her family said that they also lied, like,  
6 to cover up, especially the night where Colin Scanlon,  
7 myself, Laura, and Laura's dad met up. He had admitted  
8 that she was lying and making up stories, and so that's  
9 what she was apologizing for.

10 Q. When you say he admitted --

11 A. Ron Owens.

12 Q. Admitted that Laura was lying?

13 A. And making up stories.

14 Q. And so you said her parents admitted to lying?  
15 What did they say?

16 MS. POLLOCK: Objection. It's vague.

17 MS. JUSSEN-COOKE: I'm sorry.

18 MS. POLLOCK: It's Ron. I thought he said Ron  
19 Owens. About the father, not the parents.

20 MS. JUSSEN-COOKE: Can you read his answer back?

21 (Record Read.)

22 BY MS. JUSSEN-COOKE:

23 Q. So when you say her family said they also lied,  
24 when was that?

25 A. That night we all had a discussion.

1 Q. Okay. And when you say her family, are you  
2 talking specifically about Ron?

3 A. I don't -- okay. So I think that all three of  
4 them knew what she was doing. So -- meaning Laura, her  
5 mother, and Ron knew that she was lying to me and that  
6 they were, essentially, covering up for her until that  
7 night because none of the story made sense. And that's  
8 why I had the meeting with Ron, Laura, my sister's  
9 boyfriend, and myself.

10 MS. COURSON: What was the story that didn't  
11 make sense?

12 THE WITNESS: That she was -- that she had an  
13 abortion.

14 MS. COURSON: But when was the story that --

15 THE WITNESS: She said that she went through  
16 with an abortion or she said that she went through with  
17 an abortion and that she was pregnant. And that night,  
18 her dad said no, that she made up a story and went along  
19 with it. And that was why I had my sister's boyfriend  
20 there to witness that.

21 BY MS. JUSSEN-COOKE:

22 Q. Did he explain what the story was that she made  
23 up?

24 A. I don't remember looking back now. There was a  
25 lot going on.

1 MS. COURSON: Were you aware that after that,  
2 she had an appointment at Planned Parenthood in San  
3 Rafael?

4 MS. POLLOCK: After what?

5 MS. COURSON: After this conversation took place  
6 with her family that night.

7 MS. POLLOCK: It's not with her family. Are you  
8 talking about the meeting with Ron, Colin --

9 MS. COURSON: Sorry. The meeting, yes.

10 MS. POLLOCK: Okay.

11 THE WITNESS: Was I aware, probably. I don't  
12 remember. I don't remember.

13 BY MS. JUSSEN-COOKE:

14 Q. So back to the flight. Were you upset with  
15 Laura on that flight?

16 A. In the beginning absolutely not. I mean, we had  
17 delays in our flight, but it was, like -- that wasn't a  
18 big deal. I think towards -- she kept asking me the same  
19 questions. So I said "My answer isn't going to change  
20 just because you've asked me ten times."

21 Q. What was that question?

22 A. If I would, essentially, forget everything that  
23 happened, and I said "No. I'm not going to forget  
24 everything that happened. I will forgive you, but I will  
25 not forget it."

1 Q. Okay. And so then what happened?

2 A. She got very upset, and I -- she got upset  
3 multiple times on the flight. But that time I just,  
4 essentially, just tried to sleep while she was upset.

5 Q. I'm sorry. I couldn't understand you. You said  
6 you were trying to sleep? Or she was trying to sleep?

7 A. No. Because it was a long flight, I tried to --  
8 after our discussion, I just tried to go to sleep, and  
9 she would just keep trying to wake me up to ask me if my  
10 answer had changed. And so after she was crying, I tried  
11 to console in the very beginning, and then this kept  
12 going on. And so then I finally just stopped consoling  
13 her and just tried to, essentially, sleep. I would get  
14 up and walk around the plane because it was a long  
15 flight, and then I would come back to my seat and try to  
16 go to sleep.

17 Q. Were the -- did you criticize her at all on that  
18 flight?

19 A. I told her that -- I think I probably called  
20 her -- probably. I mean, I probably said that she needs  
21 -- she's got to be realistic and so to stop acting crazy.  
22 I would say I probably said something along those lines.

23 Q. Would you call her crazy often during your  
24 relationship with her?

25 A. No. Because that -- I think I -- no. I would

1 not call her that often.

2 Q. Would you say that you called her crazy on --  
3 would it be fair to say that you would call her crazy on  
4 multiple occasions?

5 A. I would say she's acting crazy. So...

6 Q. Okay. What other names would you call her  
7 besides crazy?

8 A. I don't know.

9 MS. POLLOCK: Well, it's different, crazy or  
10 acting crazy.

11 BY MS. JUSSEN-COOKE:

12 Q. Would you say that -- did you call her crazy?  
13 Or would you tell her she was acting crazy?

14 A. I would tell her she was acting crazy a lot of  
15 the times. Not a lot of the times. I told her she was  
16 acting crazy a few times in our relationship, more than a  
17 few times.

18 Q. What other ways did you criticize her on that  
19 flight?

20 A. I don't know. What other ways I criticized her?  
21 I just said --

22 MS. POLLOCK: I'm confused because I thought you  
23 were talking about in general how many times he would ask  
24 her --

25 MS. JUSSEN-COOKE: I was, but then now --

1 MS. POLLOCK: -- and now you're going back to  
2 the plane.

3 MS. JUSSEN-COOKE: -- I'm going back to the  
4 plane.

5 MS. POLLOCK: Got it.

6 THE WITNESS: So maybe I probably told her once,  
7 maybe twice. I don't know.

8 BY MS. JUSSEN-COOKE:

9 Q. Okay. And what other ways -- were there other  
10 ways that you were being critical besides telling her  
11 that she was acting crazy on that flight?

12 A. No. I don't remember, no.

13 Q. Okay. In general during your relationship, in  
14 what ways were you critical of her?

15 A. In general in my relationship, what ways was I  
16 critical of her? I don't know.

17 Q. So do you remember getting mad at Laura and  
18 yelling at her on that flight?

19 A. I wouldn't say I yelled at her. I never yelled  
20 at her. We're on a flight. I would not do that. I was,  
21 essentially, upset. Absolutely. Like, we were both  
22 upset.

23 Q. Would you say you raised your voice?

24 A. To where the person in front of us would hear  
25 us? I mean, we were having a conversation on a redeye

1 flight; so I think anybody could hear a normal  
2 conversation.

3 Q. And when Laura was crying, would you tell her to  
4 stop crying?

5 A. Yes.

6 Q. Okay. Were there any other names that you would  
7 call Laura during fights that you two would have, not  
8 specific to this flight but just in general?

9 A. No. I don't remember.

10 Q. Okay. Have you ever called Laura ugly?

11 A. No.

12 Q. Have you ever told Laura she's bad at her job?

13 A. What's her job?

14 Q. You tell me.

15 A. She raced horses; so no. She would win all the  
16 time at riding horses; so no.

17 Q. Did you tell Laura that she was boring in bed?

18 A. No.

19 Q. Did you recommend or ask Laura if she would have  
20 a threesome with her sister?

21 A. No, I did not.

22 Q. Were you aware that other people could hear you  
23 during that flight?

24 A. I think anybody could hear us. I just said that  
25 because we were having a conversation on a redeye flight.

1 Would it be, like, where people four rows ahead could  
2 hear us? No. Absolutely not.

3 Q. What was your response when you found out that a  
4 fellow passenger gave Laura a note? I'm sorry. Did you  
5 find out that a fellow passenger gave Laura a note?

6 A. Yeah. She told me in Iceland.

7 Q. And what was your response when she told you  
8 that?

9 A. That that person had no idea what I had just  
10 gone through. And so -- that I'm sorry that somebody  
11 else had to hear our discussion, but at the time, like,  
12 that person had no idea what had just transpired over the  
13 last month.

14 Q. And by what you had just gone through, you mean?

15 A. Okay. What we both had just gone through, but  
16 especially me being lied to and my trust issues with her.  
17 The person had no background story of why I would be  
18 upset.

19 MS. COURSON: Did she tell you why she lied?

20 THE WITNESS: Did she tell me why she lied?

21 MS. COURSON: About having an abortion?

22 MS. POLLOCK: It assumes facts not in evidence.

23 MS. COURSON: He just said she lied about the  
24 abortion.

25 MS. POLLOCK: Okay. Did you discuss it with

1 her?

2 THE WITNESS: Did I discuss what with her?

3 MS. POLLOCK: The --

4 THE WITNESS: I mean, that's why we had the  
5 discussion with her dad that night, that she was lying.

6 BY MS. JUSSEN-COOKE:

7 Q. Did Laura ever admit to lying?

8 A. Yes. That night.

9 MS. COURSON: Did she tell you why she lied?

10 THE WITNESS: No. They told me that she -- her  
11 dad even said she creates stories that night.

12 MS. COURSON: Do you think it would have been  
13 possible that she was scared to have an abortion and so  
14 she lied to you and said she had one?

15 MS. POLLOCK: Calls for speculation. If you  
16 know the answer. Don't speculate.

17 THE WITNESS: No.

18 BY MS. JUSSEN-COOKE:

19 Q. Have you ever met the other passenger on the  
20 Icelandair's flight in December 2016 who gave her the  
21 note?

22 A. No. I never met her.

23 Q. Have you had any interaction with that passenger  
24 since then?

25 A. No.

1 Q. Okay. When you were in Iceland, did you and  
2 Laura get into any arguments?

3 A. Yes.

4 Q. When was the first argument?

5 A. New Year's Eve. I had to leave the room.

6 Q. What happened?

7 A. She, again, brought up the same exact issue as  
8 before asking if I forgave her. And I said I forgave  
9 her, but I, again, would not forget it. And then she  
10 wanted me to post of a photo of the two of us, and I said  
11 "No."

12 Q. Why were you so adamant against posting a photo  
13 of you and Laura?

14 A. Because I didn't think she was emotionally  
15 stable, and I said, "Until we work on us, I'm not going  
16 to be posting photos with somebody."

17 Q. But you thought she was emotionally stable  
18 enough to take you to Iceland?

19 A. So you're -- so, I mean, even her family said I  
20 should go on the trip with her because, essentially, to  
21 make up for what had just transpired.

22 Q. So why did you go on the trip with her?

23 A. That's a good question. Looking back, I don't  
24 know why. I don't know why.

25 Q. So I just want to understand. You were refusing

1 to post a picture with her because you didn't think she  
2 was emotionally stable; right? That's why you wouldn't  
3 post photos -- a photo with her?

4 A. Yeah. Because I was having trust issues with  
5 her; so I did not want to -- I'm a private person, and I  
6 didn't want that to be out. Like, I didn't want to be  
7 posting a photo with her especially when I was having  
8 trust issues with her.

9 Q. You say you are a private person. Do you post  
10 on Instagram or Facebook or other social media with any  
11 kind of -- how often do you post on social media?

12 A. Once a month.

13 Q. Once a month. On -- only once per month? Or  
14 once per month on all of those different, Facebook,  
15 Instagram --

16 A. Well, they're all linked together; so if you  
17 make one post, it goes on all of them. So do you count  
18 that as one or two?

19 Q. Did you post on social media while you were in  
20 Iceland?

21 A. Yeah, I did.

22 Q. Okay. But you just refused to post anything --  
23 any photos with Laura?

24 A. We took photos together, but I didn't post one  
25 of her and I.

1 Q. Okay. And that was, again, because of her  
2 mental instability?

3 A. I just was having trust issues, like I just  
4 said, in our relationship.

5 Q. Okay. So during this argument that the two of  
6 you had --

7 MS. POLLOCK: Objection. Vague.

8 MS. JUSSEN-COOKE: I'm sorry.

9 BY MS. JUSSEN-COOKE:

10 Q. On New Year's Eve you said that you and her got  
11 into an argument?

12 A. Yeah.

13 Q. Did you wake her up in the middle of that night  
14 because she had sent a photo of the two of you to a  
15 friend of hers?

16 A. Did I wake her up? No.

17 Q. Were you upset because she sent a photo of the  
18 two of you to a friend of hers?

19 A. I asked why she would do that, but I was not  
20 upset in, like -- or did I yell at her or something along  
21 those lines? No.

22 Q. So was that part of what you were arguing about  
23 was the fact that she sent a photo?

24 A. That had nothing to do with what our argument on  
25 New Year's night. That was after the fact. That was,

1 like, four or five days later.

2 Q. Okay. So on New Year's night, what was the  
3 argument about?

4 A. Again, she wanted to post on social media and  
5 say that we were together, and I said "No."

6 Q. Did you know that Laura can't swim well?

7 A. Well, I witnessed it in Iceland. So yes.

8 Q. What happened when you witnessed it?

9 A. She -- it was, like, a standing size hot tub and  
10 there would be, like, a deep spot every -- by deep I  
11 mean, like, six feet, five feet. It was always to the  
12 point where she could stand, but if she ever tried to  
13 swim, she couldn't swim. So she would have to walk on  
14 the shallow areas so she could stand up.

15 Q. Okay. And what do you mean when you said you  
16 witnessed it? What does that mean? What did you  
17 witness?

18 A. Well, I witnessed her -- like, I swam across to  
19 a certain point, and she wouldn't swim across. And I was  
20 like, "Why aren't you swimming?" And that was the first  
21 time I ever witnessed her not being able to swim that  
22 well.

23 Q. Did you know before that that she couldn't swim  
24 that well?

25 A. No.

1 Q. Okay. Between December 2016 and when your  
2 relationship was over-over, I think you said that was  
3 November?

4 A. It was late 2017.

5 Q. Late 2017. In that year period, did you ever  
6 put your hands on Laura's neck?

7 A. No.

8 Q. Did you ever strangle her?

9 A. No.

10 Q. Did you ever slap her using the palm of your  
11 hand anywhere on her body?

12 A. No.

13 Q. During sex you never slapped her butt?

14 A. No. Not that I recall.

15 Q. During sex you never -- did you ever hold her  
16 down when the two of you had sex?

17 A. No, I did not.

18 Q. Between December 2016 and December 2017, did you  
19 ever hold a pillow over Laura's face while you were  
20 having sex with her?

21 A. No.

22 Q. Between December 2016 and December 2017, did you  
23 ever witness Laura lose consciousness during sex with  
24 her?

25 A. No.

1 Q. Did Laura ever talk to you about her concerns  
2 and fears about having sex with you?

3 A. No.

4 Q. Did Laura ever cry while the two of you were  
5 having sex?

6 A. No.

7 Q. Have you ever seen --

8 A. She said -- one time, when I said "I love you,"  
9 she started crying afterwards.

10 Q. When was that?

11 A. I have no idea. Sometime in 2017.

12 Q. Would it have been, like, summer? Fall?

13 A. It -- probably, like, spring I would say.

14 Q. Spring.

15 A. Yeah.

16 Q. Have you ever seen Laura with red splotches or  
17 marks around her eyes?

18 A. Yeah.

19 Q. And did you talk about what that was?

20 A. Yeah. She always said she had a hard time  
21 sleeping.

22 Q. She said it was because she had a hard time  
23 sleeping?

24 A. Yeah.

25 Q. Okay. And how often would you see her with

1 those marks on her eyes?

2 A. Well, she would take Ambien every night, but I  
3 mean, I would see her -- it wasn't often, but I would see  
4 her with the splotches, I mean, like, maybe once a month,  
5 once every couple months.

6 Q. And when you talked to -- would you talk to her  
7 about it and ask?

8 A. No. I'm not going to dig in, like, why  
9 something's on her face, no.

10 Q. So you noticed it but you just wouldn't discuss  
11 it with her?

12 A. I've always -- like, if you're -- it's like  
13 calling out, like, somebody that has, like, a rash on  
14 their face. I mean, it's not going to make them feel  
15 better if you call them out and say "Why do you have a  
16 rash on your face?" It would be -- I would just -- we  
17 talked about it one time, and that was it. And we never  
18 brought it up again.

19 Q. And what was the discussion when you talked  
20 about it that one time?

21 A. She just said that she was having trouble  
22 sleeping, wasn't getting much sleep, and that was it.  
23 She was getting the marks on her eyes because of that.

24 Q. Okay. I have here a photo that shows redness  
25 around Laura Owen's right eye and cheek that was taken in

1 March of 2017. This photo is attached as Exhibit 4 to  
2 the declaration of Laura Owens in support of her request  
3 for a restraining order which was filed March 29, 2018.

4 Can you please mark these as just the exhibit  
5 next in line? I believe we're only at 2. Yes.

6 A. Did you say that those were red dots under her  
7 eyes or redness on her face? That's what I'm trying to  
8 figure out.

9 Q. Oh. Did you see red dots on her face?

10 A. That was what I was discussing were the red  
11 dots.

12 Q. The red dots, okay.

13 A. Under her eyes, she would get red dots.

14 Q. Okay.

15 A. I wasn't discussing, like, that photo.

16 Q. Oh, no. I'll ask you about that photo next.

17 (Plaintiff's Exhibit No. 2 marked for  
18 Identification.)

19 BY MS. JUSSEN-COOKE:

20 Q. I also have here a photo showing redness around  
21 Laura Owen's right eye and cheek. This was taken in  
22 March of 2017. And actually, for the record, let me just  
23 correct, Exhibit 2 -- what's been marked as Exhibit 2 is  
24 a photo of Laura Owen's eyes and cheeks that was taken in  
25 May of 2017. And I'm going to ask that the photo of her

1 right eye and cheek from March 2017 be marked as  
2 Exhibit 3.

3 (Plaintiff's Exhibit No. 3 marked for  
4 Identification.)

5 BY MS. JUSSEN-COOKE:

6 Q. So I am showing you what's been marked as  
7 Exhibit 2 and Exhibit 3. Go ahead and take a look at  
8 those. Between December 2016 and October of 2017, did  
9 you ever see Laura with these types of little red marks  
10 around her eyes?

11 A. That's not what I saw, no.

12 Q. That's not. Did you ever see her with marks  
13 like this around her --

14 MS. POLLOCK: Why don't we separate it so you're  
15 talking about Exhibit 2 and then Exhibit 3.

16 MS. JUSSEN-COOKE: Yeah. Absolutely. Okay.

17 BY MS. JUSSEN-COOKE:

18 Q. So looking at Exhibit 2, did you ever see Laura  
19 with redness and marks -- and I'm talking about what's  
20 going -- in kind of the socket around her eye and the  
21 redness right above here and the redness right down below  
22 here. Did you ever see marks like that on her?

23 A. No.

24 MS. POLLOCK: Just for the record, that's May of  
25 2017.

1 BY MS. JUSSEN-COOKE:

2 Q. In the May 2017 photo?

3 A. No. I never saw that.

4 Q. You never saw that, okay.

5 A. No.

6 Q. Now, looking at what's been marked as Exhibit 3,  
7 which is the March 2017 photo. Again, in this photo it  
8 shows redness in the -- like, around her eyelid and some  
9 underneath her eye as well. Did you ever see Laura with  
10 marks like this on her face?

11 A. No, I did not.

12 Q. Never, okay. So when you said that you saw  
13 marks on her face...

14 A. They were like little red dots. They were,  
15 like, almost like if you take a pin and you would see,  
16 like, a couple dots on her eye. Like, it wasn't, like, a  
17 hundred or anything like that. You'd see, like, a few  
18 dots under her eye. And she would be the one asking if I  
19 saw it originally. She would say -- I mean, I don't  
20 remember, actually, how the conversation went; but it was  
21 something where we both brought it up, like, both  
22 noticing that she had it. But she said that it was due  
23 to sleep, lack of sleep.

24 Q. Did she say anything else about them?

25 A. No.

1 Q. Okay. I have here -- these are two photos that  
2 show a bruise on Laura Owens's arm. They were taken on  
3 February 28th of 2017, and I would like to have these  
4 marked as Exhibits 4 and 5, please.

5 (Plaintiff's Exhibit Nos. 4 and 5 marked  
6 for Identification.)

7 BY MS. JUSSEN-COOKE:

8 Q. I am handing you what's been marked as Exhibit 4  
9 and Exhibit 5. Did you ever see Laura with bruises like  
10 this?

11 A. I would see her with bruises all the time.

12 Q. Okay. And what -- did you talk to her about the  
13 bruises that you saw all the time?

14 A. Yeah. She said she rides horses.

15 Q. Okay. And that -- that was the extent of your  
16 conversation about the bruises on her body, it was just  
17 that she rides horses?

18 A. She rides horses every day, and so she would get  
19 bruises. I'm not going to dig into why she gets bruises  
20 from riding horses.

21 Q. Okay.

22 MS. COURSON: Did she tell you how she would get  
23 the bruises from riding the horse?

24 THE WITNESS: No. It was just -- I mean, she  
25 would care -- she would do everything for, like, the

1 horses. Like, she was doing, like, all -- so she'd put  
2 the huge saddles on her shoulder; carry everything; walk  
3 the horses down from, like, the paddock down to where she  
4 was riding them. I mean, I don't know how it happens.

5 BY MS. JUSSEN-COOKE:

6 Q. Okay. Thank you. So would you say that you --  
7 how frequently would you say that you saw Laura with  
8 injuries on her body?

9 A. In 2017 she was getting injured a lot. She fell  
10 off her horse multiple times. One time I was witness to  
11 it. One time my family was witness to it, but she had a  
12 lot of falls off the horses during all of 2017,  
13 especially with her seizures. Her seizure -- I mean, one  
14 of the points in time, like, in her texts even a couple  
15 days later, she had a huge bruise on the back of her head  
16 on -- I don't even remember where it was -- from falling  
17 and hitting her head on the counter after having a  
18 seizure. I mean, I wasn't going to constantly be  
19 bringing up how she was getting the bruises.

20 Q. Okay. Between September of 2016 and March of  
21 2017, did you ever -- did you have a key to Laura's  
22 apartment?

23 A. No. No. I never had a -- I mean, she gave me a  
24 key to go over there, but I gave it back when she came  
25 home.

1 Q. Did you go over there without her being home?

2 A. Yeah. She told me to -- well, one, it was to  
3 pick up a nutrition product that she wasn't going to use.  
4 So I went over there to pick it up. And then one time  
5 she had wanted my family to go in there. Well, she  
6 wanted my mom to stay at her place because my mom's not  
7 from here. She said that my mom could stay at her house.  
8 So I just showed them where she lived, and I even sent  
9 her a photo of when we were in there to Laura as showing  
10 that we were in there. And she was excited that we were  
11 all in there looking at her place.

12 Q. So you -- and when did you send that photo?

13 A. Oh. I don't remember. It was in 2017, I would  
14 say.

15 Q. Will it be in the text messages that you  
16 produced?

17 A. Yeah.

18 Q. So you sent Laura a photo from inside of her  
19 house?

20 A. Inside of her apartment, yeah.

21 Q. From inside of her apartment. And who were you  
22 there with?

23 A. My sister and my mom.

24 Q. And did Laura give you permission to take your  
25 sister and your mom into her apartment when she wasn't

1 home?

2 A. She said that my mom should stay at her house  
3 when she wasn't there for the weekend.

4 Q. Did she tell your mom that?

5 A. She told me.

6 MS. POLLOCK: Calls for speculation, did she  
7 tell her...

8 THE WITNESS: Did my mom stay there? No, she  
9 didn't.

10 BY MS. JUSSEN-COOKE:

11 Q. At what -- let's see. When is the time last  
12 time that you had sex with Laura?

13 A. Late 2017.

14 Q. Like, would you say November or December?

15 A. I would say after summer probably around fall.  
16 I don't remember.

17 Q. How close in time would you, if you can give an  
18 answer, was it to that conversation that you said took  
19 five to ten minutes when you told her you were officially  
20 done?

21 A. This is -- the conversation was a couple weeks  
22 after.

23 Q. Okay.

24 A. Maybe a few weeks. I don't remember.

25 Q. Before you had that conversation with Laura,

1 were you dating other women?

2 A. Well, we were on and off towards the end; so  
3 then I started dating a couple other girls, yeah. We  
4 didn't have -- the sex, though, never overlaid with other  
5 women. So meaning, I wasn't having sex with two  
6 different people or anything like that.

7 Q. So you weren't having sex with the other women  
8 when you were -- until after December of 20 --

9 A. Once I cut it off from Laura, then I started  
10 having -- started essentially really going in and having  
11 other -- started dating other women more.

12 Q. So just so I'm clear on the timeline and what  
13 you're saying.

14 A. Yeah.

15 Q. The conversation that you had with Laura that  
16 you said lasted five to ten minutes in late 2017, you  
17 were not having sex with any other women until after that  
18 conversation?

19 A. Correct.

20 Q. Okay. When you were kind of going off and on,  
21 as what you described -- or I think --

22 A. That's the term I used, yeah.

23 Q. How long did that last up until -- or I guess --  
24 so when did the off and on start if it ended in late  
25 December with that phone call? When did it start?

1 A. I didn't say it ended in late December.

2 Q. Or I'm sorry. In late 2017.

3 A. Yeah. I mean, we were on and off for a long  
4 time. I would say for, I mean -- essentially, since  
5 March I would say we were on and off.

6 Q. Did it upset -- if Laura would cancel plans with  
7 you, would you get upset?

8 A. I think one of the last times -- I mean, I'm not  
9 upset, wouldn't be the term I would use. But I said this  
10 is, like, that she had cancelled on me then -- I think it  
11 was one of the last times that we hung out. But did I  
12 get upset? No.

13 Q. Was she cancelling plans with you -- was that  
14 common?

15 A. No.

16 Q. In fall or early winter in late 2017, did you  
17 ever show up at Laura's house without first being  
18 invited?

19 A. No.

20 Q. Did you ever show up at her house without  
21 telling her that you were going to go there first?

22 A. Can you repeat that?

23 Q. Did you ever go to her house without telling her  
24 you were going to go to her house before you went?

25 A. I don't know what the question is.

1 Q. Yeah. Did you ever show up at Laura's house  
2 without discussing it with her first?

3 A. No. I never showed up without discussing it  
4 first.

5 MS. POLLOCK: You mean uninvited?

6 THE WITNESS: Uninvited.

7 MS. COURSON: Or unannounced?

8 BY MS. JUSSEN-COOKE:

9 Q. Or unannounced?

10 A. No.

11 Q. Are you a fan of Maybeck's restaurant?

12 A. I don't think it's -- I mean, it's decent. But  
13 am I big fan of it? No.

14 Q. When is the first time you went there?

15 A. I've gone there twice, both times in 2017. Once  
16 was earlier in 2017, and then the last time was late in  
17 2017.

18 Q. And who did you go with those -- each time?

19 A. First time was with my two roommates, Alex  
20 Rapazzini and then I was living with another person at  
21 the time named Alison Mann (phonetic). Went there after  
22 we walked around the Marina. And then the second time  
23 was after helping my sister and her boyfriend move  
24 furniture that day, and we sat at the bar.

25 Q. Have you ever gone there with Laura?

1 A. No.

2 Q. Did you -- were you aware that it was a  
3 restaurant Laura and her parents frequented?

4 A. They frequented many restaurants. They eat out  
5 every night. They would always go in that district.

6 Q. So that didn't answer the question, though. Are  
7 you aware that that was a restaurant that they  
8 frequented -- that Maybeck's was a restaurant that they  
9 frequented?

10 A. Yeah. I knew that they go there.

11 Q. Between March 2016 and September 2017 --

12 A. Can you repeat the timeline?

13 Q. I'm sorry. Give me one second. Did you know  
14 that Laura and her parents would go to Maybeck's on  
15 Wednesday's?

16 A. No. I had no idea.

17 Q. Do you remember seeing Laura and her parents at  
18 Maybeck's in the fall of 2017?

19 A. No. It says that in my text messages to her as  
20 well.

21 Q. It says what in your text messages to her?

22 A. She asked where I was eating that night, and I  
23 said we just finished at Maybeck's. And she said "Oh. I  
24 didn't even see you." She goes "Where were you sitting?  
25 In the bar?" And I said, "Yes." And I said "Were you

1 there?" And she said, "Yes. I was in the dining room."

2 If you're sitting in Maybeck's where we were  
3 sitting at the bar, you would never be able to see them.

4 Q. And who were you with that time?

5 A. My sister --

6 MS. POLLOCK: Which time?

7 BY MS. JUSSEN-COOKE:

8 Q. I'm sorry. The second time that you went there  
9 which was, like, the later time in 2017.

10 MS. POLLOCK: With his sister.

11 BY MS. JUSSEN-COOKE:

12 Q. You were with your sister?

13 A. Sister and her boyfriend.

14 Q. And her boyfriend, okay. And you did not see  
15 Laura and her family?

16 A. No.

17 Q. Okay. Did you and Laura ever go to Mamanoko  
18 together?

19 A. No. I never went there with her.

20 Q. Okay. Did you know that it was a restaurant --  
21 were you aware that it was a restaurant that Laura would  
22 frequently go to?

23 A. Well, I found out the two times that I went  
24 there. I ran into her both times, so I put two and two  
25 together that's now a new place that they frequent.

1 Q. How close is that to Laura's house?

2 A. Three blocks, four blocks.

3 Q. Do you live in the neighborhood?

4 A. The girl I was dating at the time did.

5 Q. Where did she live?

6 A. She lived in the Marina. She lives, like,  
7 essentially on Lombard and -- what's the one after?

8 MS. COURSON: Pierce?

9 THE WITNESS: Pierce. Exactly.

10 BY MS. JUSSEN-COOKE:

11 Q. And the girl you were dating at the time, what  
12 was her name?

13 A. Callie (phonetic) Supsinskas.

14 Q. So you said you ran -- just to clarify, did you  
15 say that you ran into Laura twice at Mamanoko?

16 A. Yeah. So the first time I saw -- the first time  
17 we ran into her, and we were seated right next to her  
18 mother and Laura. And I thought it was very -- it was a  
19 very awkward dialogue. I introduced Laura to Callie  
20 because we were literally sitting this distance from one  
21 another. And then we -- like, they sat us at the sushi  
22 bar, like, literally a couple feet away.

23 And then the second time I went back because she  
24 could tell I was just, like, embarrassed, essentially,  
25 that my -- a girl that I was seeing for awhile was -- or,

1     sorry.  Let me clarify this.

2             I didn't enjoy the first meal that much because  
3     the two of them interacting just made it very awkward; so  
4     Callie wanted to make it up to me and go back there again  
5     because she would go there all the time with her friends.  
6     And so we went back again, and we ran into them.  I saw  
7     Laura and her mom and her dad, and I asked if we could  
8     leave.  I didn't want to be back in the same restaurant  
9     again.

10            Q.  So let's talk about the first time.

11            A.  Okay.

12            Q.  Okay.  When was that?

13            A.  Late 2017.  I don't remember.  I would say  
14     October, November.

15            MS. POLLOCK:  Which restaurant are we talking  
16     about?

17            THE WITNESS:  Mamanoko.

18            MS. JUSSEN-COOKE:  We're talking about Mamanoko.

19     BY MS. JUSSEN-COOKE:

20            Q.  And you said that you were there with Callie  
21     twice and you ran into Laura there twice.

22            A.  Both times.

23            Q.  And the first time -- I'm trying to understand  
24     when that first time was.

25            A.  Yeah.  It was late -- so the way it happened,

1 too, is we ran into her, and it was a very awkward  
2 interaction.

3 Q. Who was there first? Like, you ran into her.  
4 Did you walk in and see them there? Or did they walk in  
5 and see you?

6 A. They were eating dessert when we walked in.

7 Q. Okay. So you walked in and they were eating  
8 dessert and then what happened?

9 A. The hostess sat us right next to them.

10 Q. Okay. Was there other tables available in the  
11 restaurant?

12 A. I mean, the hostess sat us at that location.

13 Q. That's not what I asked. Were there other  
14 tables available in the restaurant?

15 A. That was -- the sushi bar was the only spot that  
16 was available and that's where we sat. So I don't recall  
17 if there was a miscellaneous table in there.

18 Q. But were you uncomfortable sitting that close to  
19 them?

20 A. Yeah. Absolutely.

21 Q. But you don't recall whether there was anywhere  
22 else in the restaurant to sit?

23 A. I would assume they sat us there -- I mean, I  
24 don't remember. I'm going to say that. But I would  
25 think if there was another --

1 MS. POLLOCK: Speculation.

2 THE WITNESS: Okay. No. I don't recall.

3 BY MS. JUSSEN-COOKE:

4 Q. Okay. So you -- did you -- okay. So you walked  
5 in, you saw them, and you were sat. Did you have any  
6 interaction directly with them?

7 A. Yeah. I introduced Laura and her mother to my  
8 -- to Callie at the time.

9 Q. Okay. And do you know if this interaction at  
10 Mamanoko, the first time you ran into Laura with Callie  
11 there, was this before or after the conversation you had  
12 with Laura when you said things were done?

13 A. I think I had the conversation with her really  
14 quickly after.

15 Q. So --

16 A. Not like -- I should give you a better timeline.  
17 I would say within a week, I gave her the phone call  
18 saying that we were done.

19 Q. Okay. So you hadn't actually officially broken  
20 up with Laura?

21 A. I said we were on and off. So at the time,  
22 like, we weren't really seeing each other, weren't  
23 talking to each other that much. Maybe once a week,  
24 couple times a week. We were never seeing each other  
25 often. We were both traveling.

1 Q. Were you still having sex?

2 A. No.

3 Q. Okay. So I just want to understand, like, the  
4 timeline here. I'm having a -- and I know it's a long  
5 time ago and it's hard to remember all of these. So if  
6 you can't, then I get that.

7 A. Of course.

8 Q. But had you had sex with Laura -- did you have  
9 sex with Laura after the night, the first night, you ran  
10 into her with Callie?

11 A. No.

12 Q. Okay. Were you having sex with Callie at that  
13 point?

14 A. No.

15 Q. Okay. So you introduced the two of them and  
16 then you sat down. You said you were uncomfortable, but  
17 did you continue with your meal?

18 A. They were eating dessert. They were finishing  
19 dessert; so they got up within minutes after we got sat  
20 down. Like, they were -- I couldn't even tell you. I  
21 think they were -- yeah. They were eating dessert, yeah.

22 Q. Okay. And prior to this time, you had never run  
23 into or seen Laura and her family at Mamanoko prior to  
24 this first time with Callie?

25 A. No.

1 Q. Before you went to Mamanoko with Callie that  
2 night, had you seen Laura's Instagram post saying that  
3 she was going to go there?

4 A. No. I have her blocked.

5 Q. But this was before your conversation you said.

6 A. I didn't --

7 Q. This was before your breakup conversation?

8 A. No. I did not see a post that she was going  
9 there.

10 Q. So after that night when you have this  
11 uncomfortable interaction --

12 A. Yeah.

13 Q. -- what happened between you and Laura?

14 A. We had the conversation on the phone within the  
15 next couple weeks that I just didn't want to see her  
16 anymore.

17 Q. So you only spoke with her -- was that your only  
18 interaction with Laura after that night?

19 A. I mean, we might have text each other a little  
20 bit, but I don't remember what the texts were about.  
21 There might have been some communication.

22 Q. So tell me about the next time that you ran into  
23 Callie at Mamanoko.

24 A. Next time I ran into Callie?

25 Q. I mean, sorry, that you ran into Laura.

1           A. I walked in. I saw that they were sitting at  
2 the exact same table. They did not see me. I asked if  
3 we could go to a different restaurant.

4           Q. And did you go to a different restaurant?

5           A. Yes.

6           Q. Where was the table that they were sitting? Was  
7 it facing the street?

8           A. It's towards the back -- both times they were  
9 seated in, like, a back booth in the very back of the  
10 restaurant. It's a booth; so if, like, you walk in, the  
11 booth's like this in the very back. So I don't know how  
12 to describe that.

13          Q. But you can see it as soon as you walk in?

14          A. No, you can't. When we started getting walked  
15 to our table, I saw that they were sitting back there and  
16 I didn't want to go any further.

17          Q. So you and Callie showed up there, and the  
18 hostess started taking the two of you --

19          A. The two of us.

20          Q. -- to a table in the back and that's when you  
21 saw her?

22          A. Yes.

23          Q. And then what did you do?

24          A. I asked Callie if we could go to another  
25 restaurant, and she said "Yes."

1 Q. Okay. Since October 2017 have you run into  
2 Laura or her parents at Amici's restaurant in the Marina?

3 A. I ran into her parents crossing the street of  
4 Lombard in front of Amici's.

5 Q. And what happened?

6 A. I gave her dad a hug.

7 Q. Anything else?

8 A. That was it.

9 Q. Did the two of you talk at all? You just gave  
10 him a hug and left?

11 A. Well, we were crossing the street, and so I --  
12 it was at night. So I mean, we're not going to sit and  
13 chat in the middle of the intersection. So I just gave  
14 him a hug. I said "I hope all is well."

15 Q. Okay.

16 A. And I had a witness there for me was -- I think  
17 Colin Scanlon and my sister, as well, Stephanie. They  
18 were both with me when I was crossing the street.

19 Q. Okay. And that's the only time you ran into  
20 Laura or her parents at Amici's?

21 A. At Amici's, yes. Well, I was never in Amici's,  
22 but that was next to Amici's.

23 Q. Next to it, okay.

24 A. Yeah.

25 Q. Did you walk back and forth in front of the

1 restaurant several times while they were having their  
2 meal there?

3 A. No.

4 Q. When did you find out that Laura had contacted  
5 Callie?

6 A. When Callie showed me in early 2018. So early  
7 January 2018. It was over the course of the first couple  
8 weeks of January.

9 Q. Do you know when she contacted Callie?

10 A. Yeah. It was after she saw us in public. Laura  
11 saw Callie and I walking.

12 Q. Where?

13 A. We were going to the grocery store on Chestnut.  
14 The grocery store Marina Meats, maybe it was. Marina  
15 Market. I forget the name of it. As we were walking  
16 back, it was raining, and I saw Laura. Well, I didn't.  
17 Actually, Callie noticed it, but she saw Laura sitting in  
18 the, like, a high top table in a restaurant of Mamanoko.  
19 I was walking --

20 Q. So you didn't see her there at Mamanoko? You  
21 said Callie saw her?

22 A. Callie saw her and pointed it out to me as we  
23 were walking.

24 Q. So is that actually a third time that you saw --

25 A. Well, you asked if I went in the first two

1 times.

2 Q. No. I asked if you ever saw her there.

3 A. Okay. So I went into the restaurant twice for  
4 food and once when I was walking home on Chestnut Street.  
5 So that would be three times then.

6 Q. Okay. And you said she contacted Callie after  
7 that?

8 A. Correct.

9 Q. And you estimate that was around...

10 A. It was in the new year. So it was right  
11 after -- I mean, it was after January 2nd before -- when  
12 all this was filed on January 8 or 9. So within that  
13 week.

14 Q. Okay. And what did Callie tell you?

15 A. That she was disturbed by what she had just  
16 received like I think anybody would.

17 Q. What else did she say?

18 A. That she wanted to talk to me about it.

19 Q. Did you talk about it?

20 A. Yeah. And so we formulated a message to send  
21 back to Laura essentially trying to kill the  
22 conversation, not go on any longer. So we wrote, like,  
23 just a very -- "Thank you for reaching out. I appreciate  
24 it." Something along those lines.

25 Q. So when you say we wrote it, you helped her

1 craft that response?

2 A. Well, we wanted the conversation to not be  
3 carried out because Laura wanted to meet for coffee, and  
4 Callie did not want to meet for coffee. So Callie was  
5 the one that wrote it, but she asked what my input was.  
6 And I said "I would just say thank you for reaching out."

7 Q. Okay. So she thought about, like -- she asked  
8 your input before she sent anything back to Laura?

9 A. Yeah.

10 Q. Okay. Did the two of you talk about anything  
11 else about that message and her response to it?

12 A. Did the two of us talk about the message?

13 Q. Did you and Callie discuss anything else?

14 A. We just thought it was disturbing that she came  
15 up with all that.

16 Q. How did it make you feel?

17 A. It made me feel terrible because I thought her  
18 and I were leaving on a good note. I mean, the last  
19 conversation she said she wanted the very best for me,  
20 and I told her the same exact thing. So to receive that,  
21 it was, I felt, like out of spite, especially because she  
22 saw that we just -- well, I'm speculating here. But she  
23 saw us walking in the Marina and she saw me post a photo  
24 with another girl.

25 Q. Okay. But you don't know that that's --

1           A. I mean, it happened the day after I posted a  
2 photo.

3           Q. It happened the day --

4           A. A day or two after I posted the photo is when  
5 this all came about.

6           Q. So you hadn't blocked her on social media yet  
7 then?

8           A. Oh. I have her blocked on everything, yeah. I  
9 --

10          Q. At the point when you posted the photo --

11          A. Yeah.

12          Q. -- which you say was the day before she sent the  
13 message --

14          A. Yeah.

15          Q. -- had you already blocked Laura on social  
16 media?

17          A. Yeah. She has about seven -- like, over five  
18 accounts, though.

19          Q. Okay. What does that mean?

20          A. She has multiple accounts. So she has an  
21 account -- two accounts for her dog. She has two  
22 accounts for her horses. She might have an account for  
23 each horse. She has one for Quartet Farms. She has one  
24 for herself. She has one for the radio.

25          Q. So did you block all of them?

1 A. Oh, yes. Absolutely.

2 Q. So did you block them all the day before -- or  
3 before you posted that picture with Callie?

4 A. She was blocked for awhile, but she still knew,  
5 like, my whereabouts. She would say that I posted on the  
6 Instagram in late January, and she was already blocked.  
7 So I don't know how to tell you that, like, how she's  
8 seeing it.

9 Q. Are all your posts set to private?

10 A. Yes, they are.

11 Q. So if I go on Instagram, I can't see any of your  
12 posts?

13 A. Correct.

14 Q. Okay. Walk me through what happened on  
15 January 7th when you encountered Laura on the street?

16 A. My sister and I were just finishing dinner at  
17 Ace Wasabi's. We literally walked out of the restaurant,  
18 and Laura looked like she was coming from Lombard. I  
19 don't really know. We had to walk back home to my  
20 sister's house. So, I mean, within ten feet of exiting  
21 Ace Wasabi's that night, Laura was standing right there  
22 and we confronted -- my sister -- I didn't want to  
23 confront Laura. I asked the entire time to "Please stop  
24 the conversation." But my sister was asking her why she  
25 would send those types of messages to Callie.

1 Q. What else did your sister say? Who -- walk me  
2 through that conversation.

3 A. Yeah.

4 MS. POLLOCK: Which one? I'm confused.

5 BY MS. JUSSEN-COOKE:

6 Q. Walk me through the conversation that transpired  
7 between you, your sister, and Laura on the street after  
8 you left Wasabi -- Ace Wasabi.

9 A. Ace Wasabi, yeah. Walk you through it?

10 Q. Yeah.

11 A. So we walk out, and it is a quick interaction.  
12 Walked out. She was standing there, and I asked my  
13 sister to let's cross the street. And Laura, like, she  
14 came out, like, guns blazing. Like, essentially, my  
15 sister -- I don't know who started the conversation, but  
16 I know it got to the point of my sister asked why she  
17 would send that. I just said "Who cares why she would  
18 send that. Let's just keep moving."

19 The whole time I asked to stop the conversation,  
20 and Laura said then -- turned to me and said, "I thought  
21 you moved to Sacramento." And I did tell her that I was  
22 moving to Sacramento because I didn't want her to keep  
23 trying in our relationship. I wanted it to just be over,  
24 and so I told her that I was leaving.

25 Q. Had she kept trying in your relationship?

1           A. Well, we'd been talking about me moving for a  
2 long period of time. And so on the final plug of when I  
3 did have a conversation with her on the phone call the  
4 night where I said no more, I said that I was going to be  
5 moving to Sacramento within the next few weeks or month.

6           Q. Okay. So then what happened in that  
7 conversation?

8           A. The conversation with my sister; correct?

9           Q. Yeah. With your sister and Laura on  
10 January 7th.

11          A. So yeah. It was really quick. Laura called me  
12 a liar. I said, "Just stay out of my life." I don't  
13 know why we -- why we can't just go apart from one  
14 another, and she said, like, essentially I was just a  
15 liar. I told her to stay out of my life. It was that  
16 simple.

17          Q. And did you say anything else?

18          A. I was the most silent one of the whole  
19 conversation. So...

20          Q. Did your sister say anything else?

21          A. She just said "Why would you write those things  
22 to Callie? That's just cruel and you know that none of  
23 that ever happened."

24          Q. Had -- was Laura upset?

25          A. I think everybody was upset.

1 Q. Was Laura crying?

2 A. No.

3 Q. Where did you go after that?

4 A. To my sister's house.

5 Q. Actually, let me back up. Where -- in reference  
6 to Laura's house, how far away was the interaction on the  
7 street on January 7th from Laura's house?

8 A. Two blocks.

9 Q. Okay. Where did you go after that interaction?

10 A. A few blocks further to my sister's house.

11 Q. Okay. And did you and your sister discuss what  
12 had happened?

13 A. Yes.

14 Q. Okay. And what did you say?

15 A. I said that I should file for a restraining  
16 order; so I called the cops that night.

17 Q. Okay.

18 A. The cops came and took a report and I said that  
19 I was having a little concern for my safety.

20 Q. Why were you concerned for your safety?

21 A. Well, she had just written my current girlfriend  
22 three e-mails, or three Facebook messages. I had run  
23 into her twice in a matter of days where I would never  
24 run into her. And so I was concerned I was going to be,  
25 one, being followed, two, that my current -- or my

1 girlfriend at the time or girl that I was dating was also  
2 going to be followed. So I wanted to take down a report  
3 making sure that what was happening was unusual.

4 Q. You running into her within a few blocks of her  
5 house?

6 A. I think --

7 Q. Is that what was unusual? What part was  
8 unusual?

9 A. Her getting mad and upset and writing my current  
10 girlfriend multiple messages that were lies and running  
11 into her, essentially. I think that is why I made the  
12 police report.

13 Q. That's why you filed the police report, okay.  
14 What did you tell the police?

15 A. That I had just run into her.

16 Q. Did you provide the police with a copy of the  
17 Facebook message?

18 A. Yes.

19 Q. When were you served with the temporary  
20 restraining order?

21 A. Within a week after the whole incident.

22 Q. Okay. And are you aware that it requires you to  
23 stay away from Laura's house?

24 A. Yeah. A hundred yards.

25 Q. A hundred yards. Have you lived in the Marina

1 at all since being served with that?

2 A. Have I lived in the Marina?

3 Q. Yeah.

4 A. No.

5 Q. Have you stayed in the Marina since then?

6 A. Yeah.

7 MS. POLLOCK: Vague as to time.

8 BY MS. JUSSEN-COOKE:

9 Q. Have you spent the night in the Marina since  
10 January 10, 2018?

11 A. Yeah. I dated a girl that lived in the Marina.

12 Q. What was her address?

13 A. Callie's Supsinskas?

14 Q. Yeah.

15 A. I don't remember her address, but it was, like I  
16 said, Pierce and -- maybe it was Pierce and Filbert.  
17 It's like in between Filbert and Lombard, right over  
18 there. It's further than a hundred yards, though.

19 Q. Can you estimate how many -- well, have you ever  
20 been within a hundred yards of Laura's house?

21 A. No.

22 Q. Since --

23 A. I always take a different street.

24 Q. -- January 10, 2018, have you ever gone within a  
25 hundred yards of her house?

1 A. No.

2 Q. Since January 10, 2018, have you gone to  
3 Delarosa restaurant on Chestnut Street?

4 A. No.

5 Q. Since January 10, 2018, have you posted any  
6 pictures of yourself at Delarosa on Chestnut Street?

7 A. No.

8 Q. Are you familiar with Barry's Bootcamp?

9 A. Yeah.

10 Q. Okay. Actually, I'm sorry. Before we go to  
11 Barry's Bootcamp, I had one last question about, I think  
12 it was Wasabi, Ace Wasabi. Who paid for dinner that  
13 night?

14 A. My sister.

15 Q. Your sister, okay.

16 MS. COURSON: Were you aware that Callie reached  
17 out to Laura after you and Callie broke up?

18 THE WITNESS: No.

19 BY MS. JUSSEN-COOKE:

20 Q. So you are familiar with Barry's Bootcamp you  
21 said?

22 A. Correct.

23 Q. Okay. And have you been there before?

24 A. Have I been to Barry's?

25 Q. Yeah.

1 A. Yeah.

2 Q. Which location?

3 A. I do a mix of the FiDi and Marina.

4 Q. Okay.

5 A. Mostly the financial district, though.

6 Q. You know that this is where Laura works out  
7 every day; right?

8 A. I didn't know she worked out there every day,  
9 but yes. I knew she would go there.

10 Q. How often would she go there when you were  
11 dating?

12 A. It was a mix. I don't know.

13 Q. Well, when she -- I'm sorry.

14 A. Sometimes no days a week. Sometimes a day a  
15 week. Sometimes a couple days a week.

16 Q. But would you say she went there regularly?

17 A. Yeah, I would. That's her only gym.

18 Q. Okay. And you know that it's a block and a half  
19 from her house?

20 A. Yes, I know.

21 Q. Since January 10th, how many times have you gone  
22 to Barry's Bootcamp in the Marina location?

23 A. I've gone -- I had a pack of 25 that I used that  
24 I purchased. I probably went to the Marina location two  
25 times.

1 Q. Two times?

2 A. Maybe. Maybe three.

3 Q. And when was that?

4 A. I would go with Callie; so late January, early  
5 -- from late January to March, I would say. In that time  
6 span.

7 Q. You only went with Callie? You never go without  
8 her?

9 A. No. I went one time without her, yeah.

10 Q. How many times did you go with Callie?

11 A. Twice.

12 Q. Since January 10, 2018, how many times have you  
13 gone to Mamanoko?

14 A. None.

15 Q. How many times have you gone to Amici's since  
16 January 10th?

17 A. None.

18 Q. How many times have you gone to Maybeck's since  
19 January 10th?

20 A. None.

21 MS. JUSSEN-COOKE: And do you have anymore  
22 questions about any of those?

23 MS. COURSON: (Nonverbal response.)

24 BY MS. JUSSEN-COOKE:

25 Q. Have you ever dated any celebrities?

1 A. I've gone on a date with one.

2 Q. Who?

3 A. Does it matter? Do I have to answer that  
4 question?

5 Q. Yes.

6 A. I went out with Sarah Hyland.

7 Q. And when was that?

8 A. Over five years ago.

9 Q. How many -- you said once?

10 A. Yeah.

11 Q. Is that it? Any other celebrities that you've  
12 dated?

13 A. Yeah. That's it.

14 Q. Have you dated the relatives of celebrities?

15 A. No.

16 Q. Okay. Did you ever call Laura your sugar mama?

17 A. No.

18 Q. Never?

19 A. Did I call her my sugar mama?

20 Q. Yeah.

21 A. I don't recall.

22 Q. You don't recall?

23 A. I don't remember if I've ever called her --

24 Q. Okay.

25 A. I mean, that's like a joking term that people

1 would use.

2 Q. Yeah.

3 A. So I don't know.

4 Q. Did you ever ask Laura to pay for things for  
5 you?

6 A. No.

7 Q. You never asked her to take you on trips and pay  
8 for them?

9 A. No.

10 Q. Did you pay for your trip to Iceland?

11 A. No.

12 Q. Did you pay for your trip to Dubai?

13 A. No.

14 Q. Did you pay for your hotel or your trip to Napa  
15 with Laura?

16 A. Not with Laura, no.

17 Q. Did you pay for your trip to Carmel with Laura?

18 A. Yes.

19 Q. What did you pay for?

20 A. I paid for dinners that we went to.

21 Q. How many?

22 A. I think we were there for one night; so I paid  
23 for...

24 Q. You paid for dinner?

25 A. Yeah.

1 Q. Okay. Did you pay for the spa in Carmel that  
2 you went to with Laura?

3 A. Refuge? I don't remember who paid.

4 Q. Did you lock Laura in the sauna at that spa?

5 A. Refuge, no. It's a huge sauna, no.

6 Q. Between late 2016 and the end of 2017, did you  
7 tell Laura that you wanted a Panerai watch?

8 A. I told her I was going to buy the watch for  
9 myself.

10 Q. How much is that watch?

11 A. \$6,000 probably. Right around there.

12 Q. So you never asked her to purchase it for you?

13 A. No.

14 Q. Did you drop hints that you wanted her to buy it  
15 for you?

16 A. I told her I was going to buy the watch.

17 Q. So the two of you, did you go shopping together  
18 for the watch?

19 A. I went shopping by myself.

20 Q. You never went shopping with her for it?

21 A. We were in La Jolla together, and she was --  
22 this was when she fell off her horse, the time where I  
23 witnessed it. She stayed in the car the whole time. I  
24 went in there. She slept in the car.

25 Q. That trip to La Jolla, did the two of you have

1 an argument during that trip?

2 A. No.

3 Q. Did you yell at her in front of other people or  
4 clients during that trip?

5 A. No.

6 Q. Did you go shopping for a watch in Dubai when  
7 Laura took you there in March 2017?

8 A. Did I go shopping? I mean, the mall is huge. I  
9 mean, did we go shopping?

10 Q. For a Panerai watch in March when you were in  
11 Dubai?

12 A. No.

13 Q. Did you ask Laura to pay for you to attend a  
14 Tony Robbins concert?

15 A. No.

16 Q. Did she pay for you to attend the Tony Robbins  
17 concert?

18 A. She said the radio did.

19 Q. She said the radio did?

20 A. She said the radio bought two tickets to go to  
21 go to Tony Robbins.

22 Q. Did Laura pay for your meals?

23 A. We --

24 MS. POLLOCK: Vague. At the --

25 ///

1 BY MS. JUSSEN-COOKE:

2 Q. Throughout your relationship, did Laura pay for  
3 most of the meals that you shared together?

4 A. No. We would split a lot of the meals.

5 Q. Would you say you split them 50 percent of the  
6 time?

7 A. I would say we split a lot of the meals. I  
8 don't know the exact number. But yeah. 50 percent's a  
9 good number.

10 Q. I mean, it's not my testimony. It's yours, and  
11 I'm asking you to give an estimate.

12 A. I would say we split half the meals.

13 Q. Have you ever been -- do you own firearms?

14 A. Uh-huh.

15 Q. Did you surrender those firearms when you were  
16 served with a temporary restraining order?

17 A. I didn't know that I was supposed to, but I  
18 don't have them in my possession.

19 Q. Where are they?

20 A. They're in my mom's house in Sacramento.  
21 They're locked up.

22 Q. How many do you own?

23 A. One.

24 Q. Have you ever posted photos of yourself with  
25 firearms on social media?

1 A. No.

2 Q. Have you ever been accused of domestic violence  
3 in the past?

4 A. No.

5 Q. When did you stop dating Callie?

6 A. Early February or -- yeah. Like mid-February.

7 Q. How come?

8 A. Why'd I stop dating Callie? Because I thought  
9 she was cheating on me.

10 Q. Did Callie ever accuse you of being abusive?

11 A. No.

12 Q. Did she ever accuse you of being deceptive?

13 A. No.

14 Q. You sure?

15 A. Deceptive? Did she say -- what do you mean by  
16 deceptive? Like, was I --

17 Q. Did she ever accuse you of being deceptive?

18 A. She just didn't understand why I wasn't very  
19 forthcoming with my relationship with Laura, why I didn't  
20 give her all the details about being on and off with her  
21 for so long.

22 Q. Did she accuse you of being manipulative?

23 A. No.

24 Q. Did you ever strangle Callie?

25 A. No.

1 Q. Did you ever suffocate her with a pillow during  
2 sex?

3 A. No.

4 Q. Did you ever hold her down and give her bruises  
5 during sex?

6 A. No.

7 Q. We confirmed that you did not know that she  
8 reached out to Laura after the two of you broke up?

9 A. Confirmed. I did not know that.

10 MS. JUSSEN-COOKE: Yeah. If we can just take a  
11 short break, and then we should -- I know you have to be  
12 out of here at 1:30; so we'll make sure that happens.

13 (Recess Taken.)

14 MS. POLLOCK: So he wants to correct an answer  
15 regarding the photos, any photos of him with a gun.

16 MS. JUSSEN-COOKE: Uh-huh.

17 THE WITNESS: Yeah. There was, like, a photo  
18 from, like, five years ago where I was taking a photo  
19 with a hunting rifle when I was shooting a clay pigeon.  
20 But it wasn't with my own firearm. But it was from a  
21 long period of time ago. I didn't remember that.

22 BY MS. JUSSEN-COOKE:

23 Q. Okay. With regards to your social media  
24 account, when did you go private with those?

25 A. I'm not sure. I really don't know. I would --

1 it may have been a month ago, I would say.

2 Q. Could it have been yesterday?

3 A. I don't think so. I didn't do it yesterday, no.

4 MS. COURSON: So on Monday when I looked up your  
5 Instagram account and I was able to view it, does that  
6 mean it was private or public?

7 THE WITNESS: If you were able to view it, then  
8 it means it's public. But I didn't change it yesterday.

9 MS. JUSSEN-COOKE: Okay. That concludes the  
10 deposition today.

11 COURT REPORTER: Would you like a copy?
